

Gary the great
white;

When you're
swimming in the
ocean and
something gives
you a fright,
Don't swim off in a
panic it's me, Gary,
the friendly great
white!

When I'm
searching the
waters looking for
something to eat,
It's leopard seals

I'm after, not your
cheesy feet.

I'm not scary or
nasty like they said
in that movie,
I'm the coolest
shark ever I'm
really quite groovy.

I might be built for
the kill but that's
just not my style,
I prefer going out
for a pizza every
once in a while!

I'm a really fast

swimmer I can zip
through the reef,
We could be best
friends... You could
help brush my
teeth.

I'm not trying to be
cheeky or looking
to boast

But I have the
biggest house
ever, it's called the
Australian coast!

So when you're
next in the ocean
and something

causes you fear,
Just shout ' Gary
come quick ' and
I'll be right here.
