Pet cats. This cat is
looking at the sky.

This cat is looking
up at you.

The black cat.
is in the snow.

Meow!

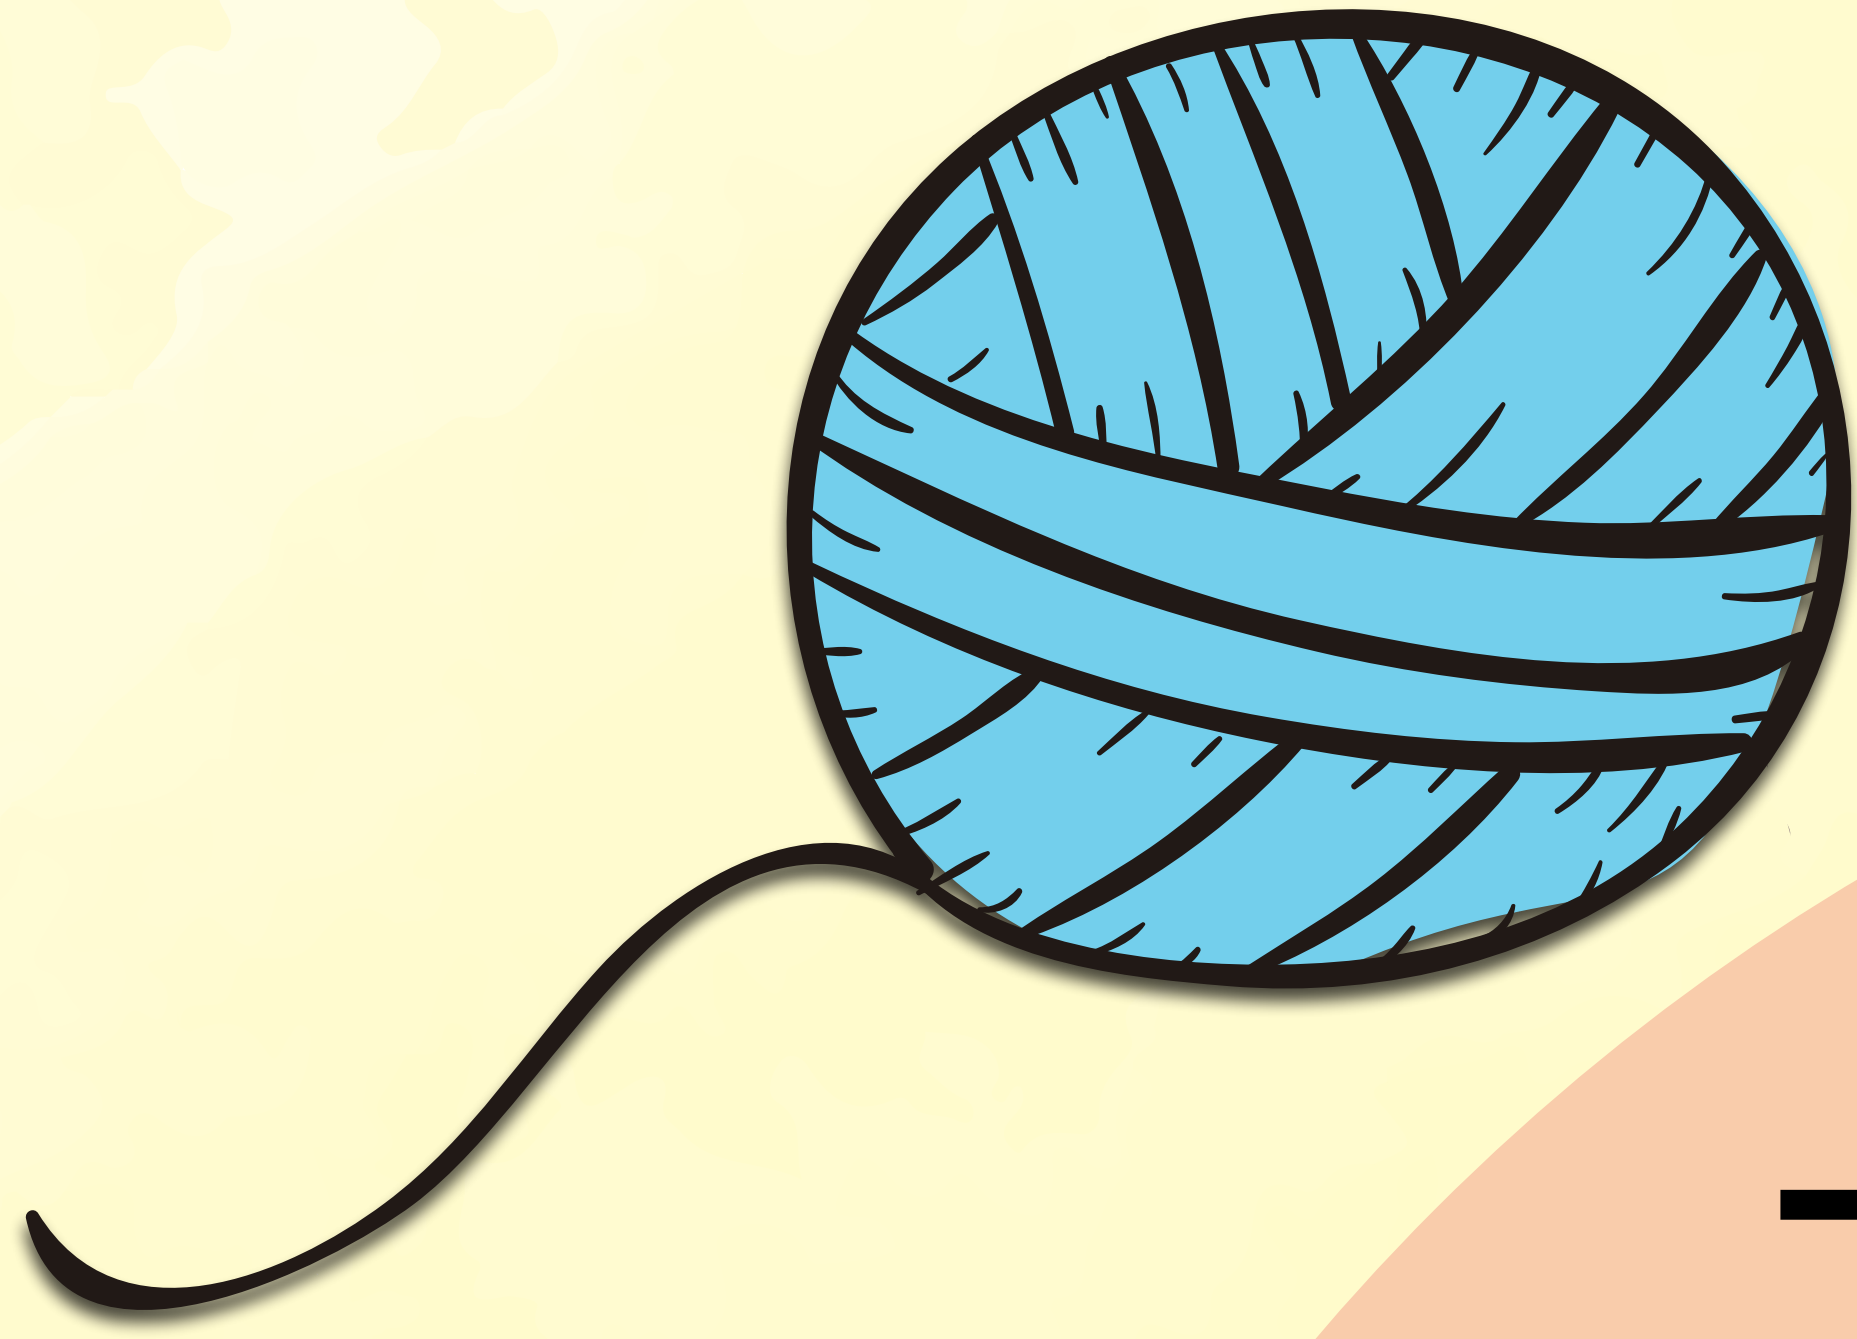

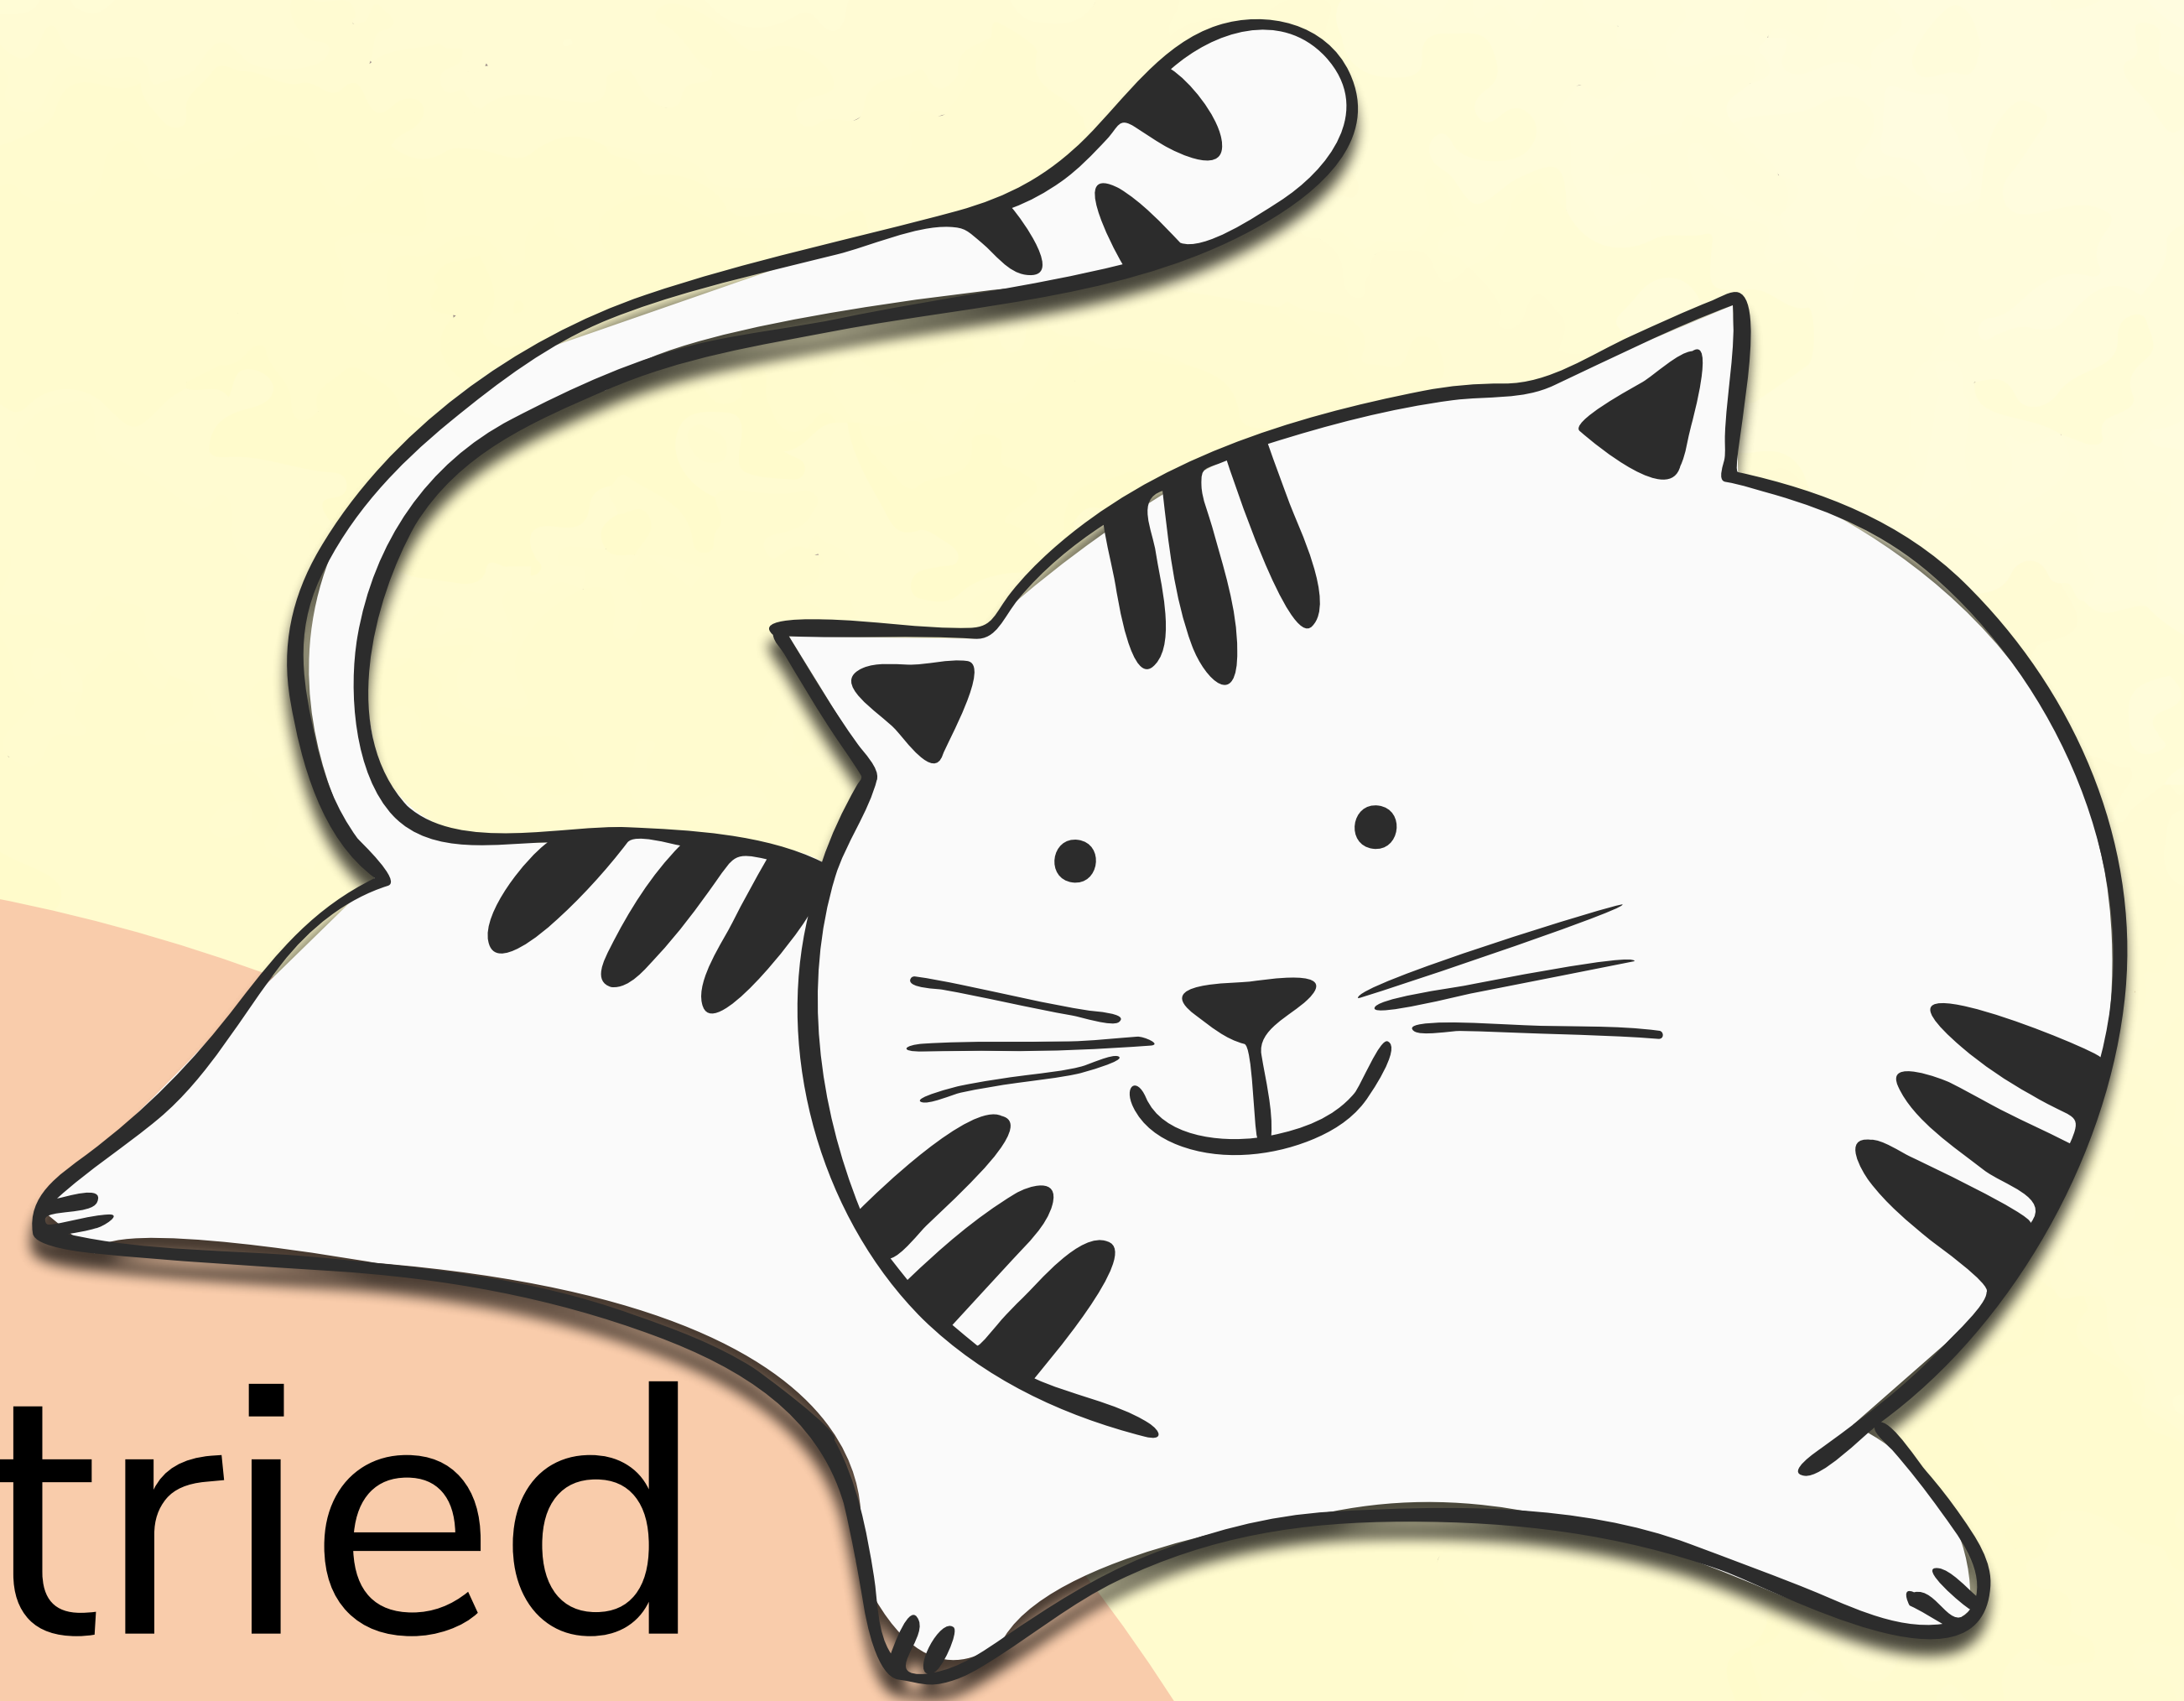

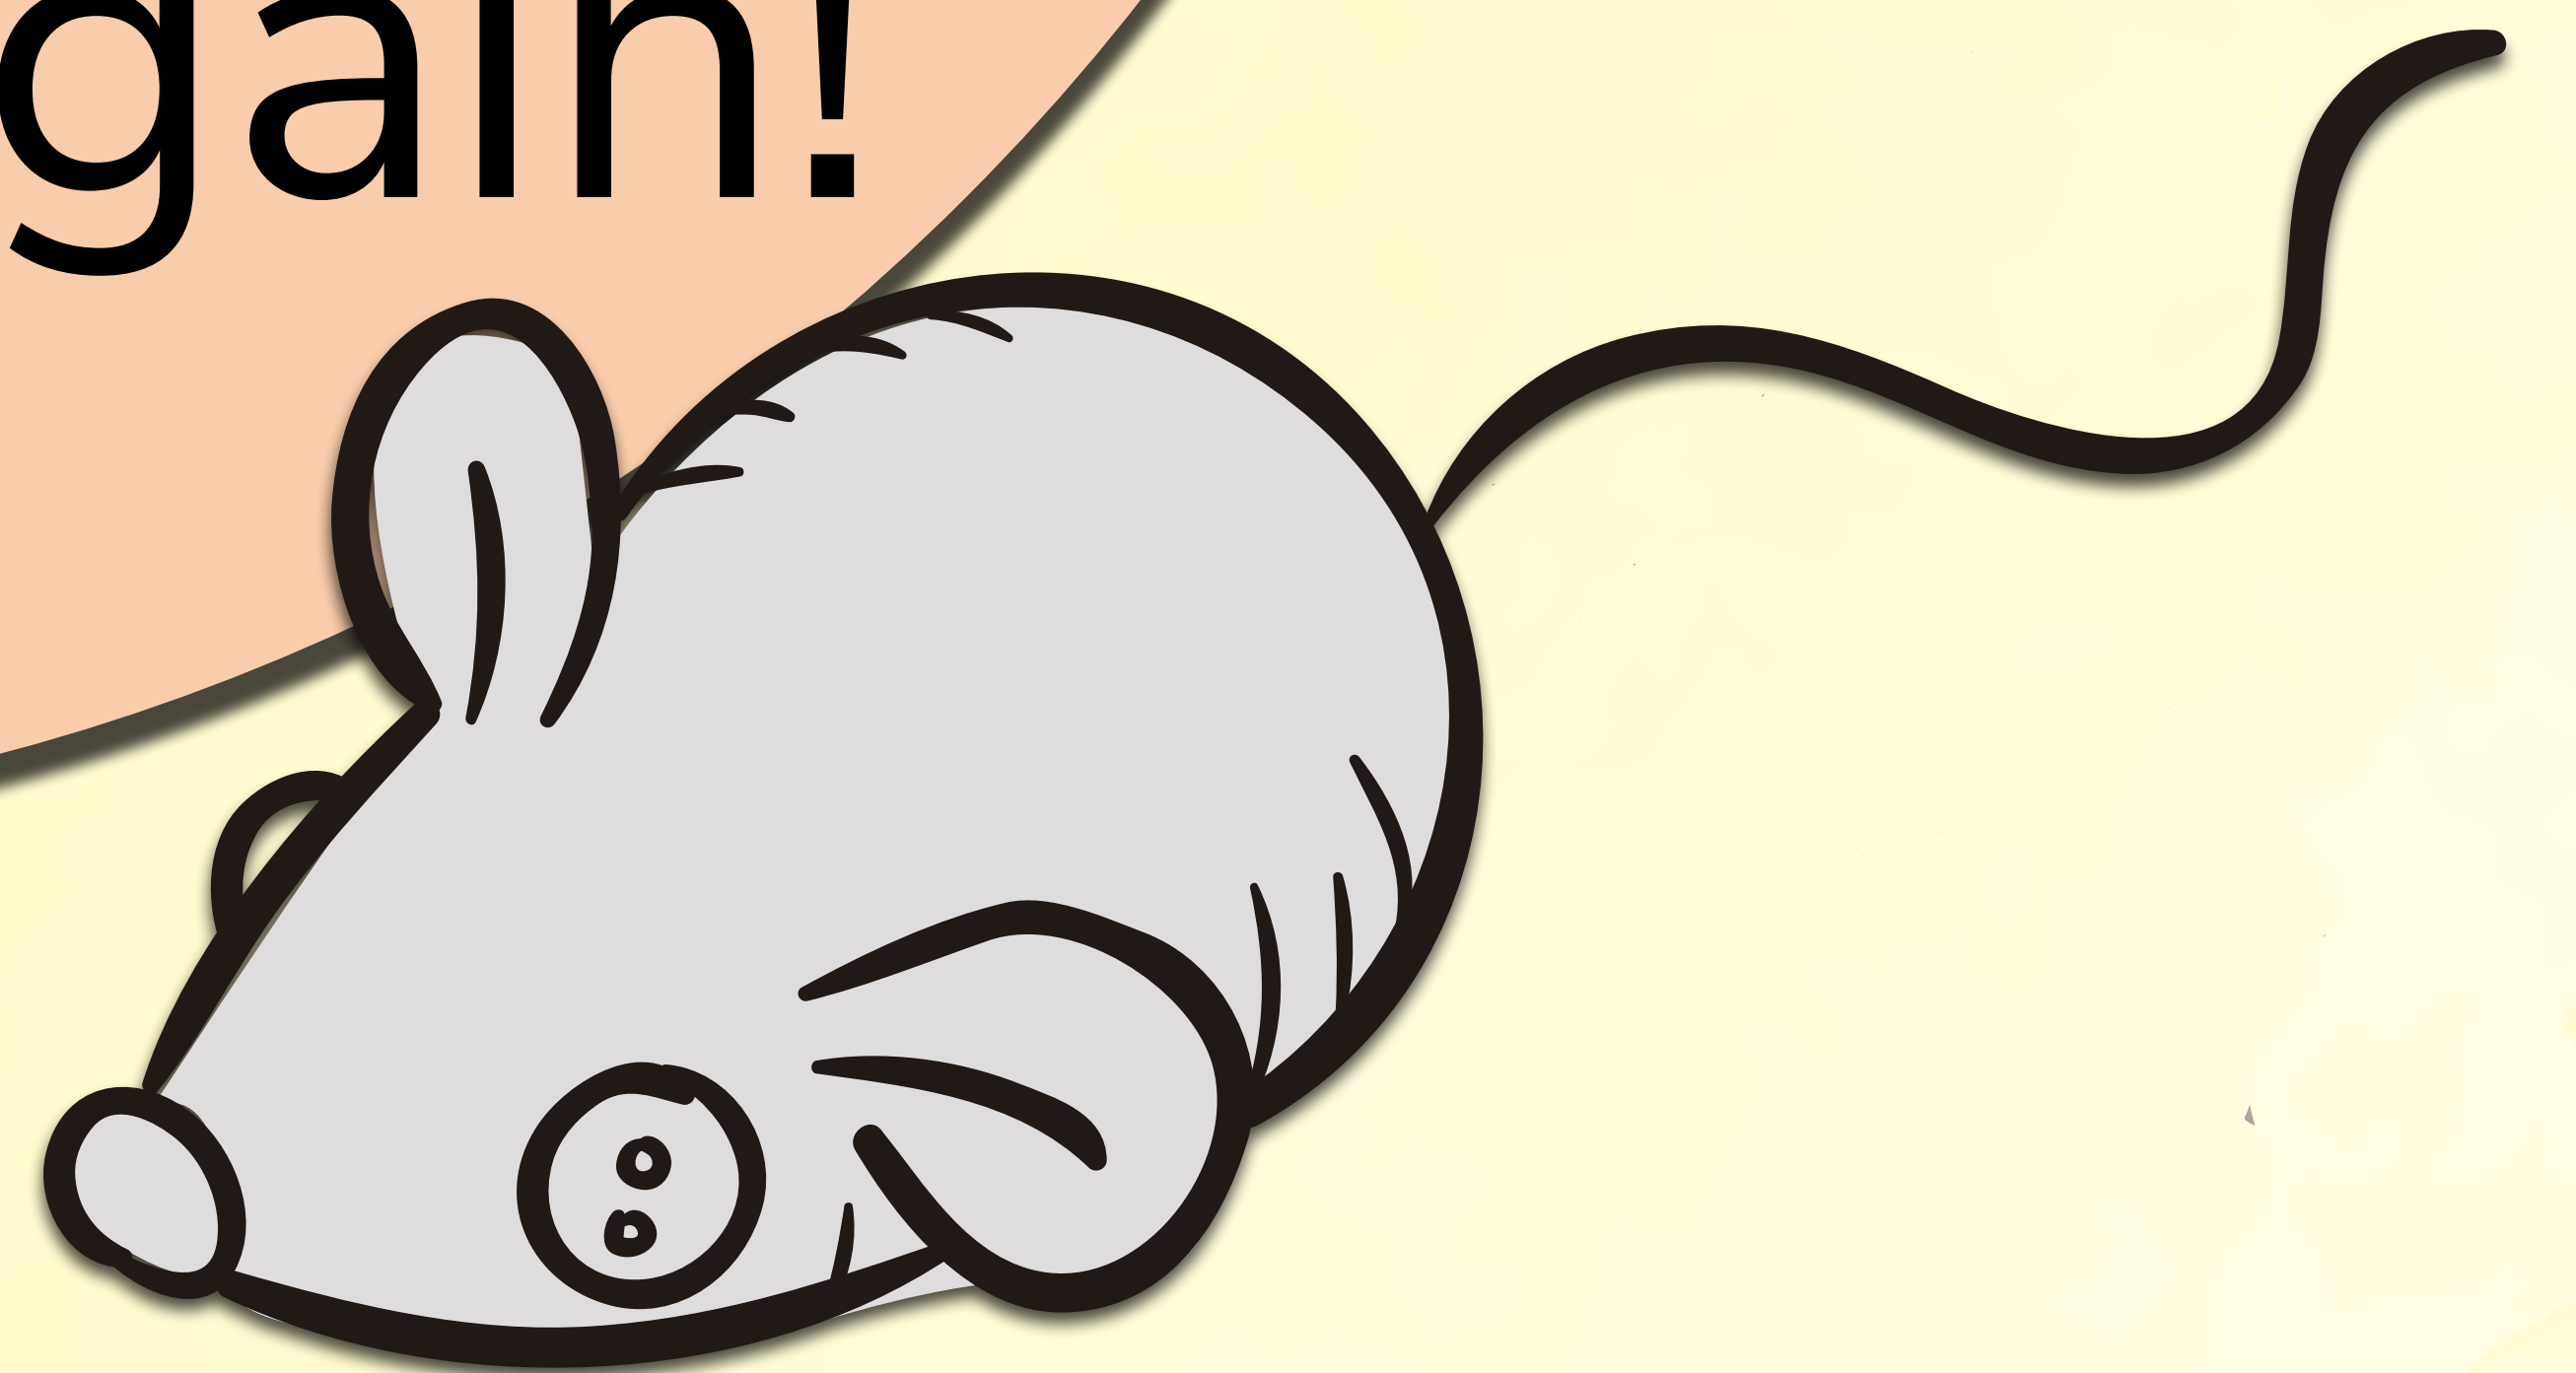

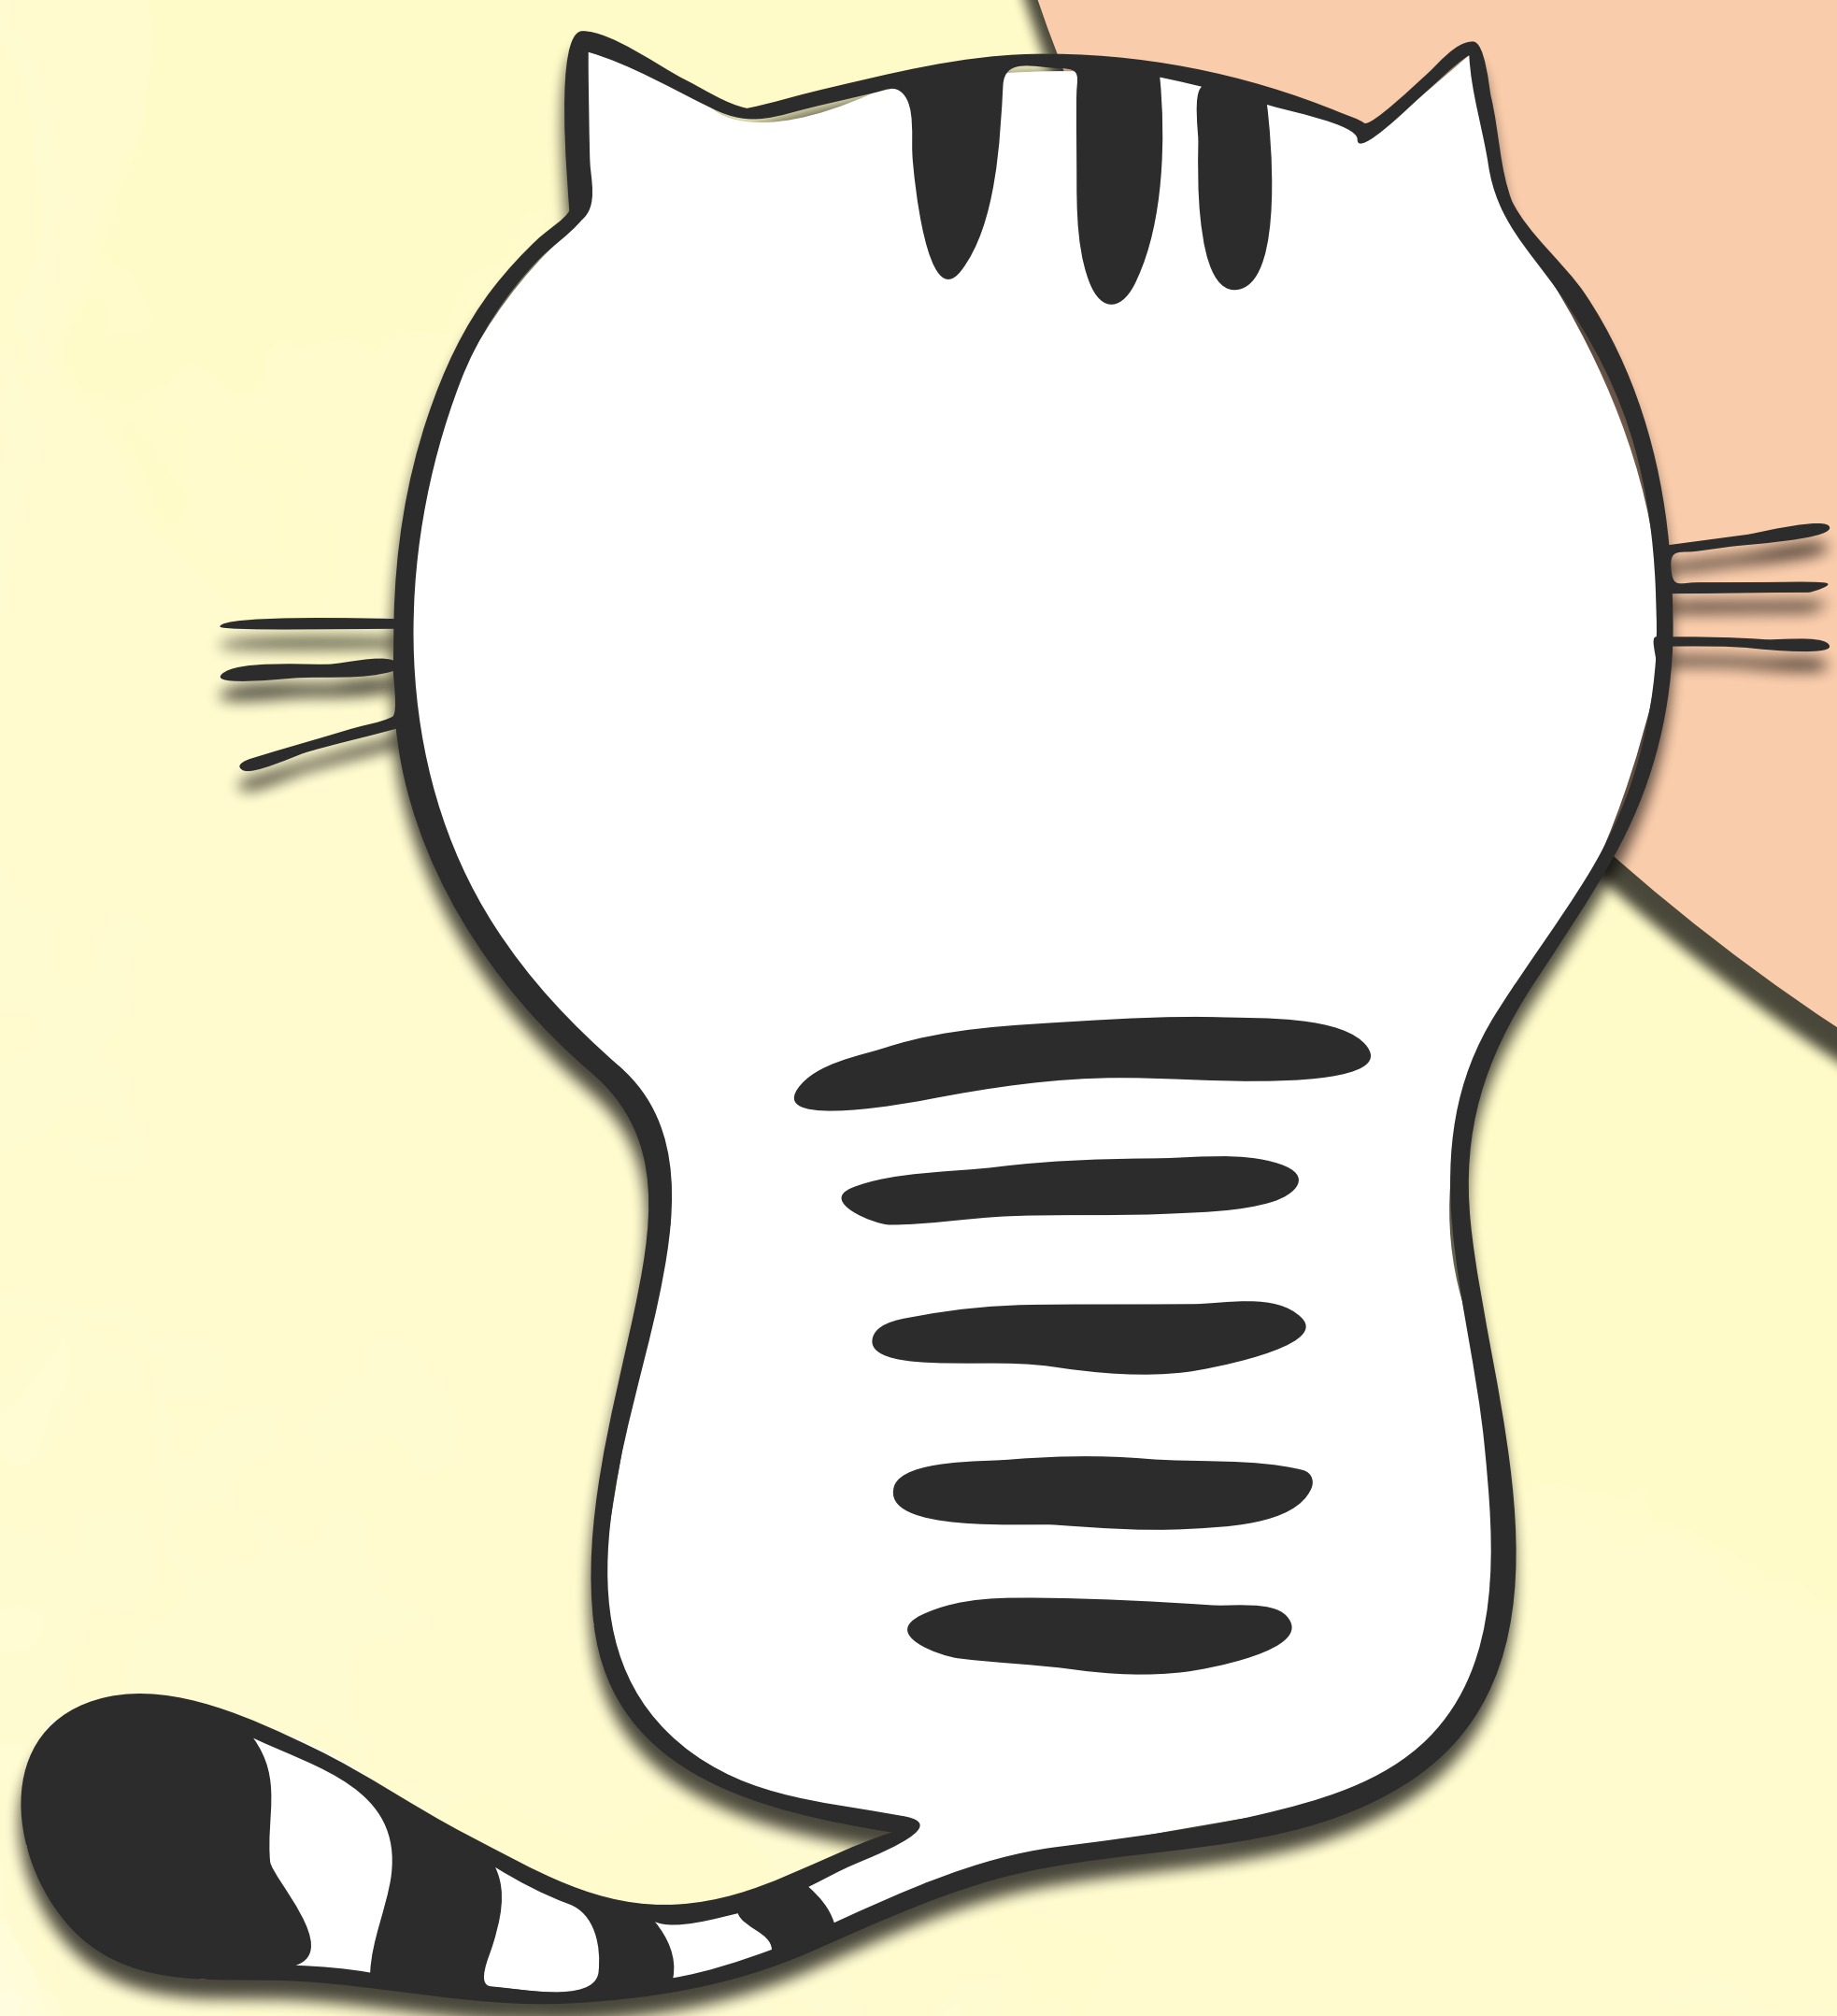

This cat will take a risk. It can slink along the window and not fall. Have you seen cats do that?

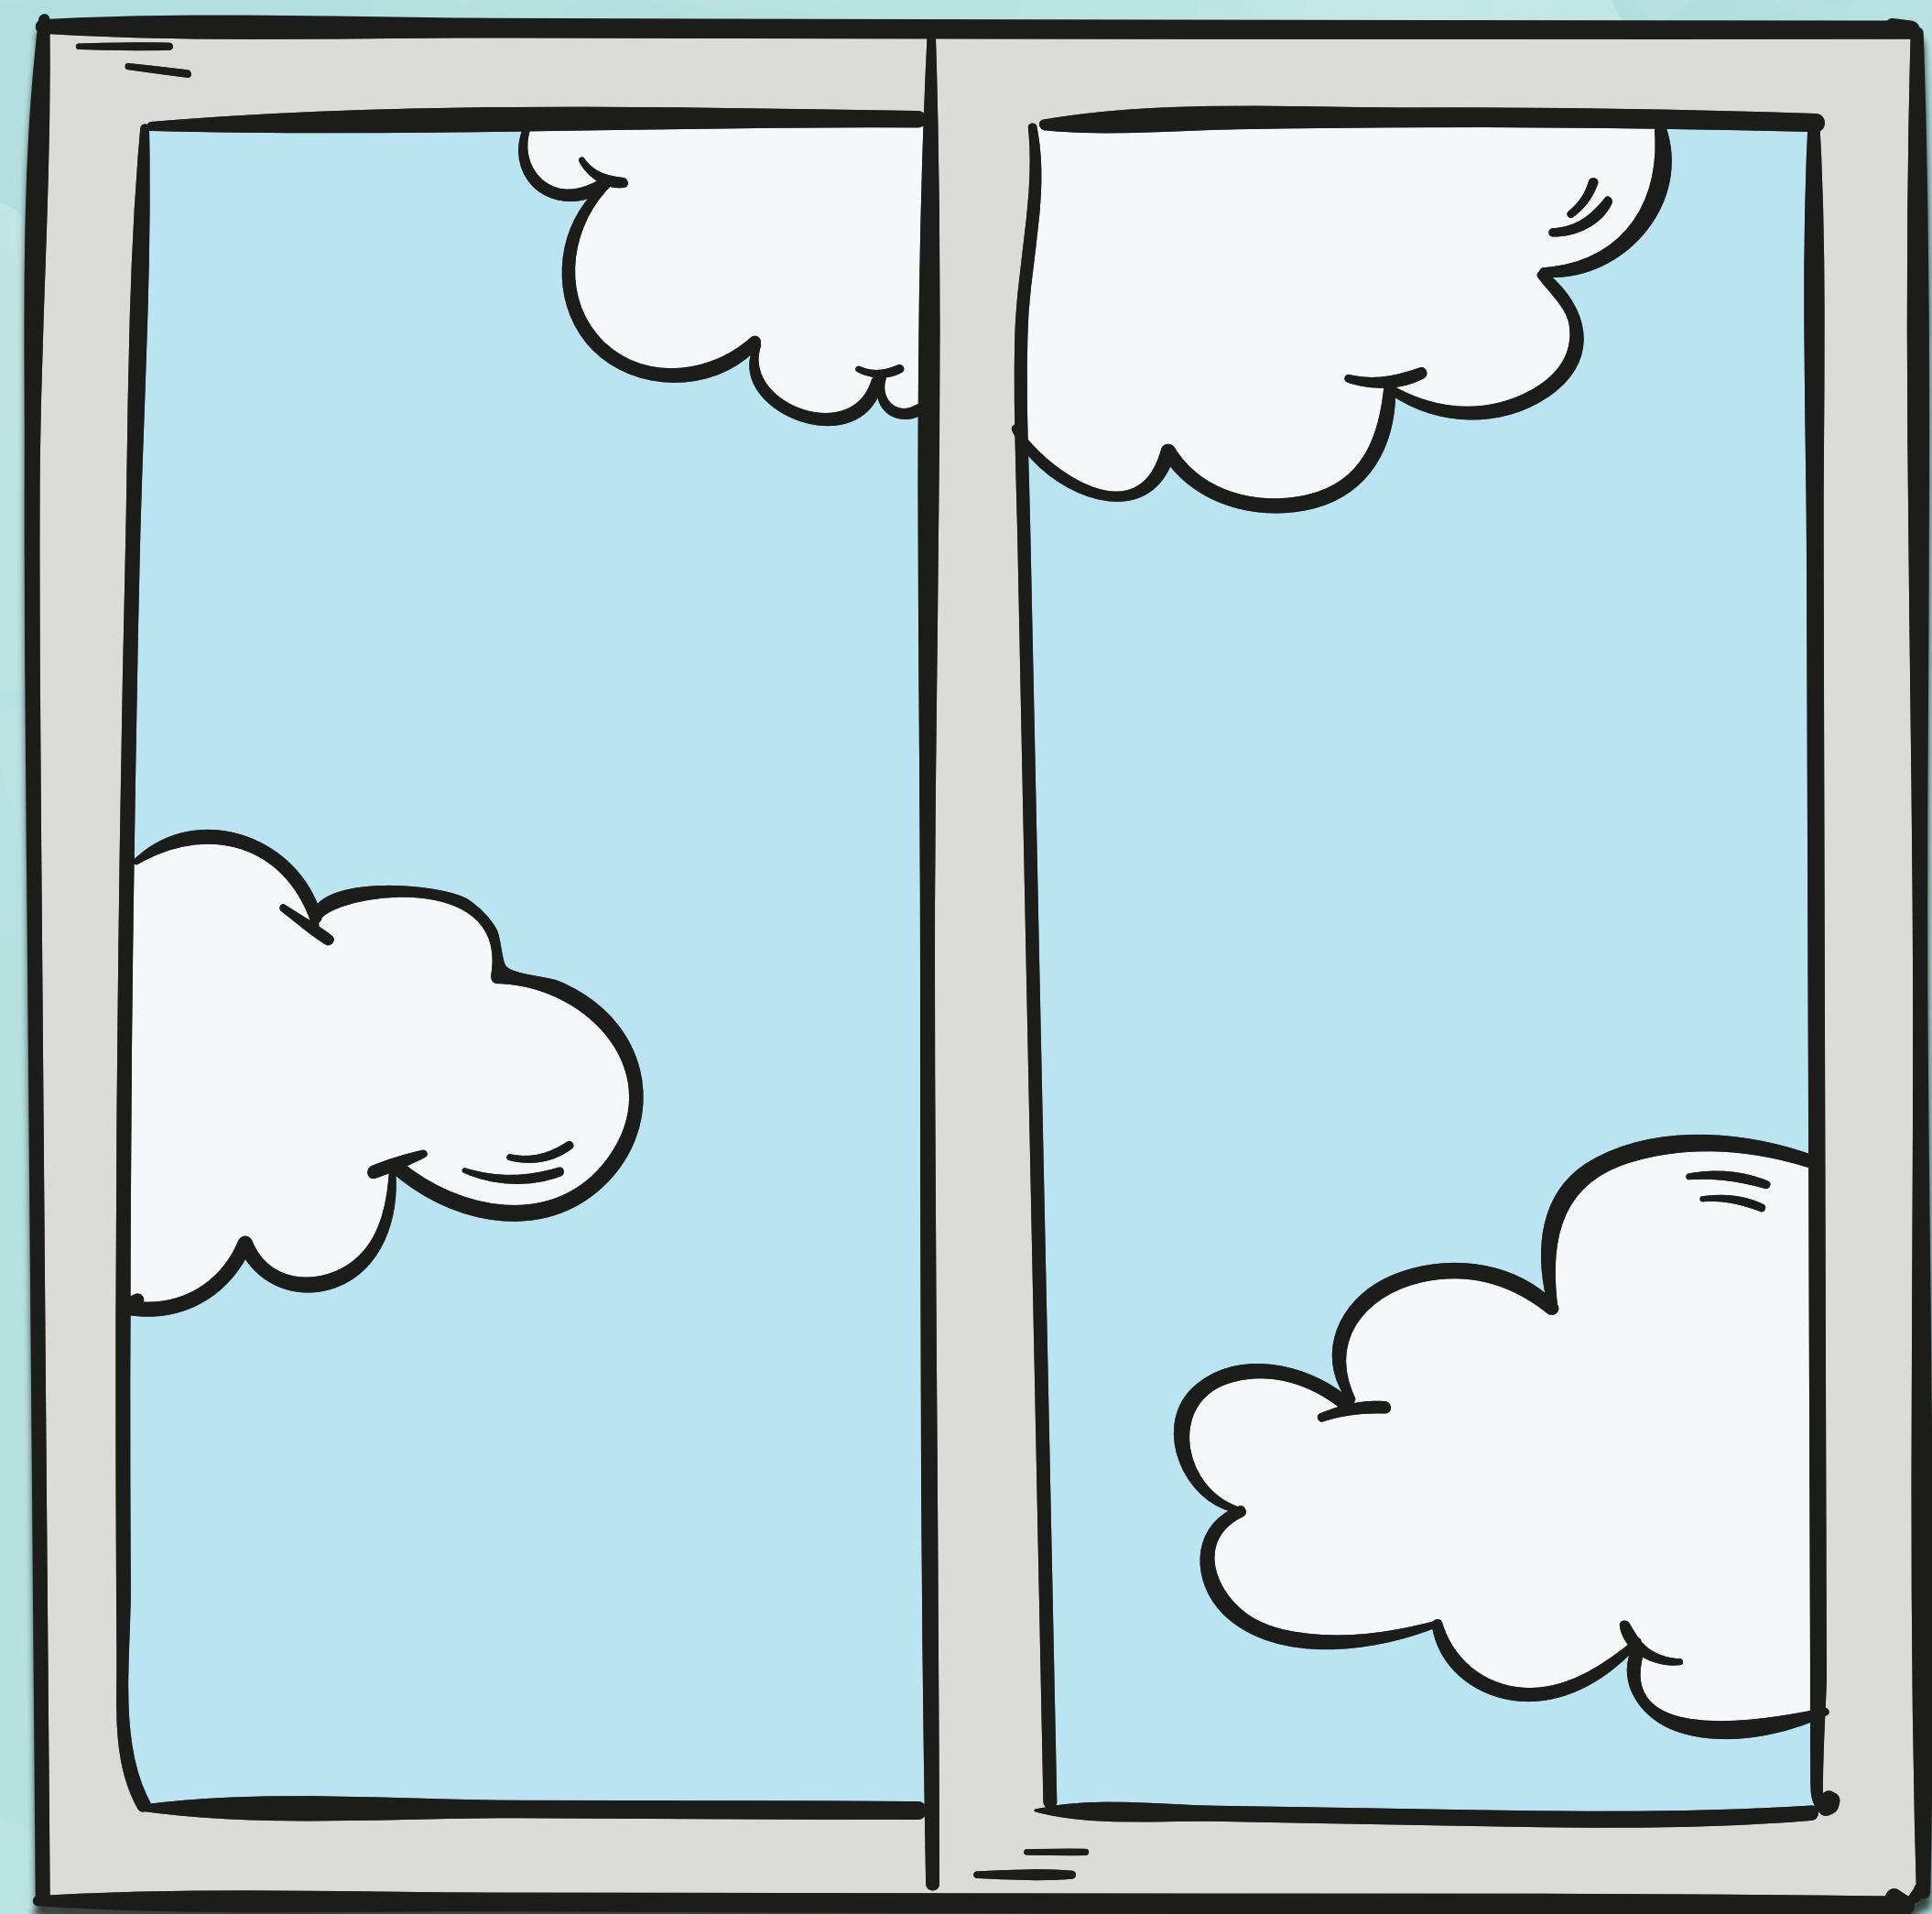

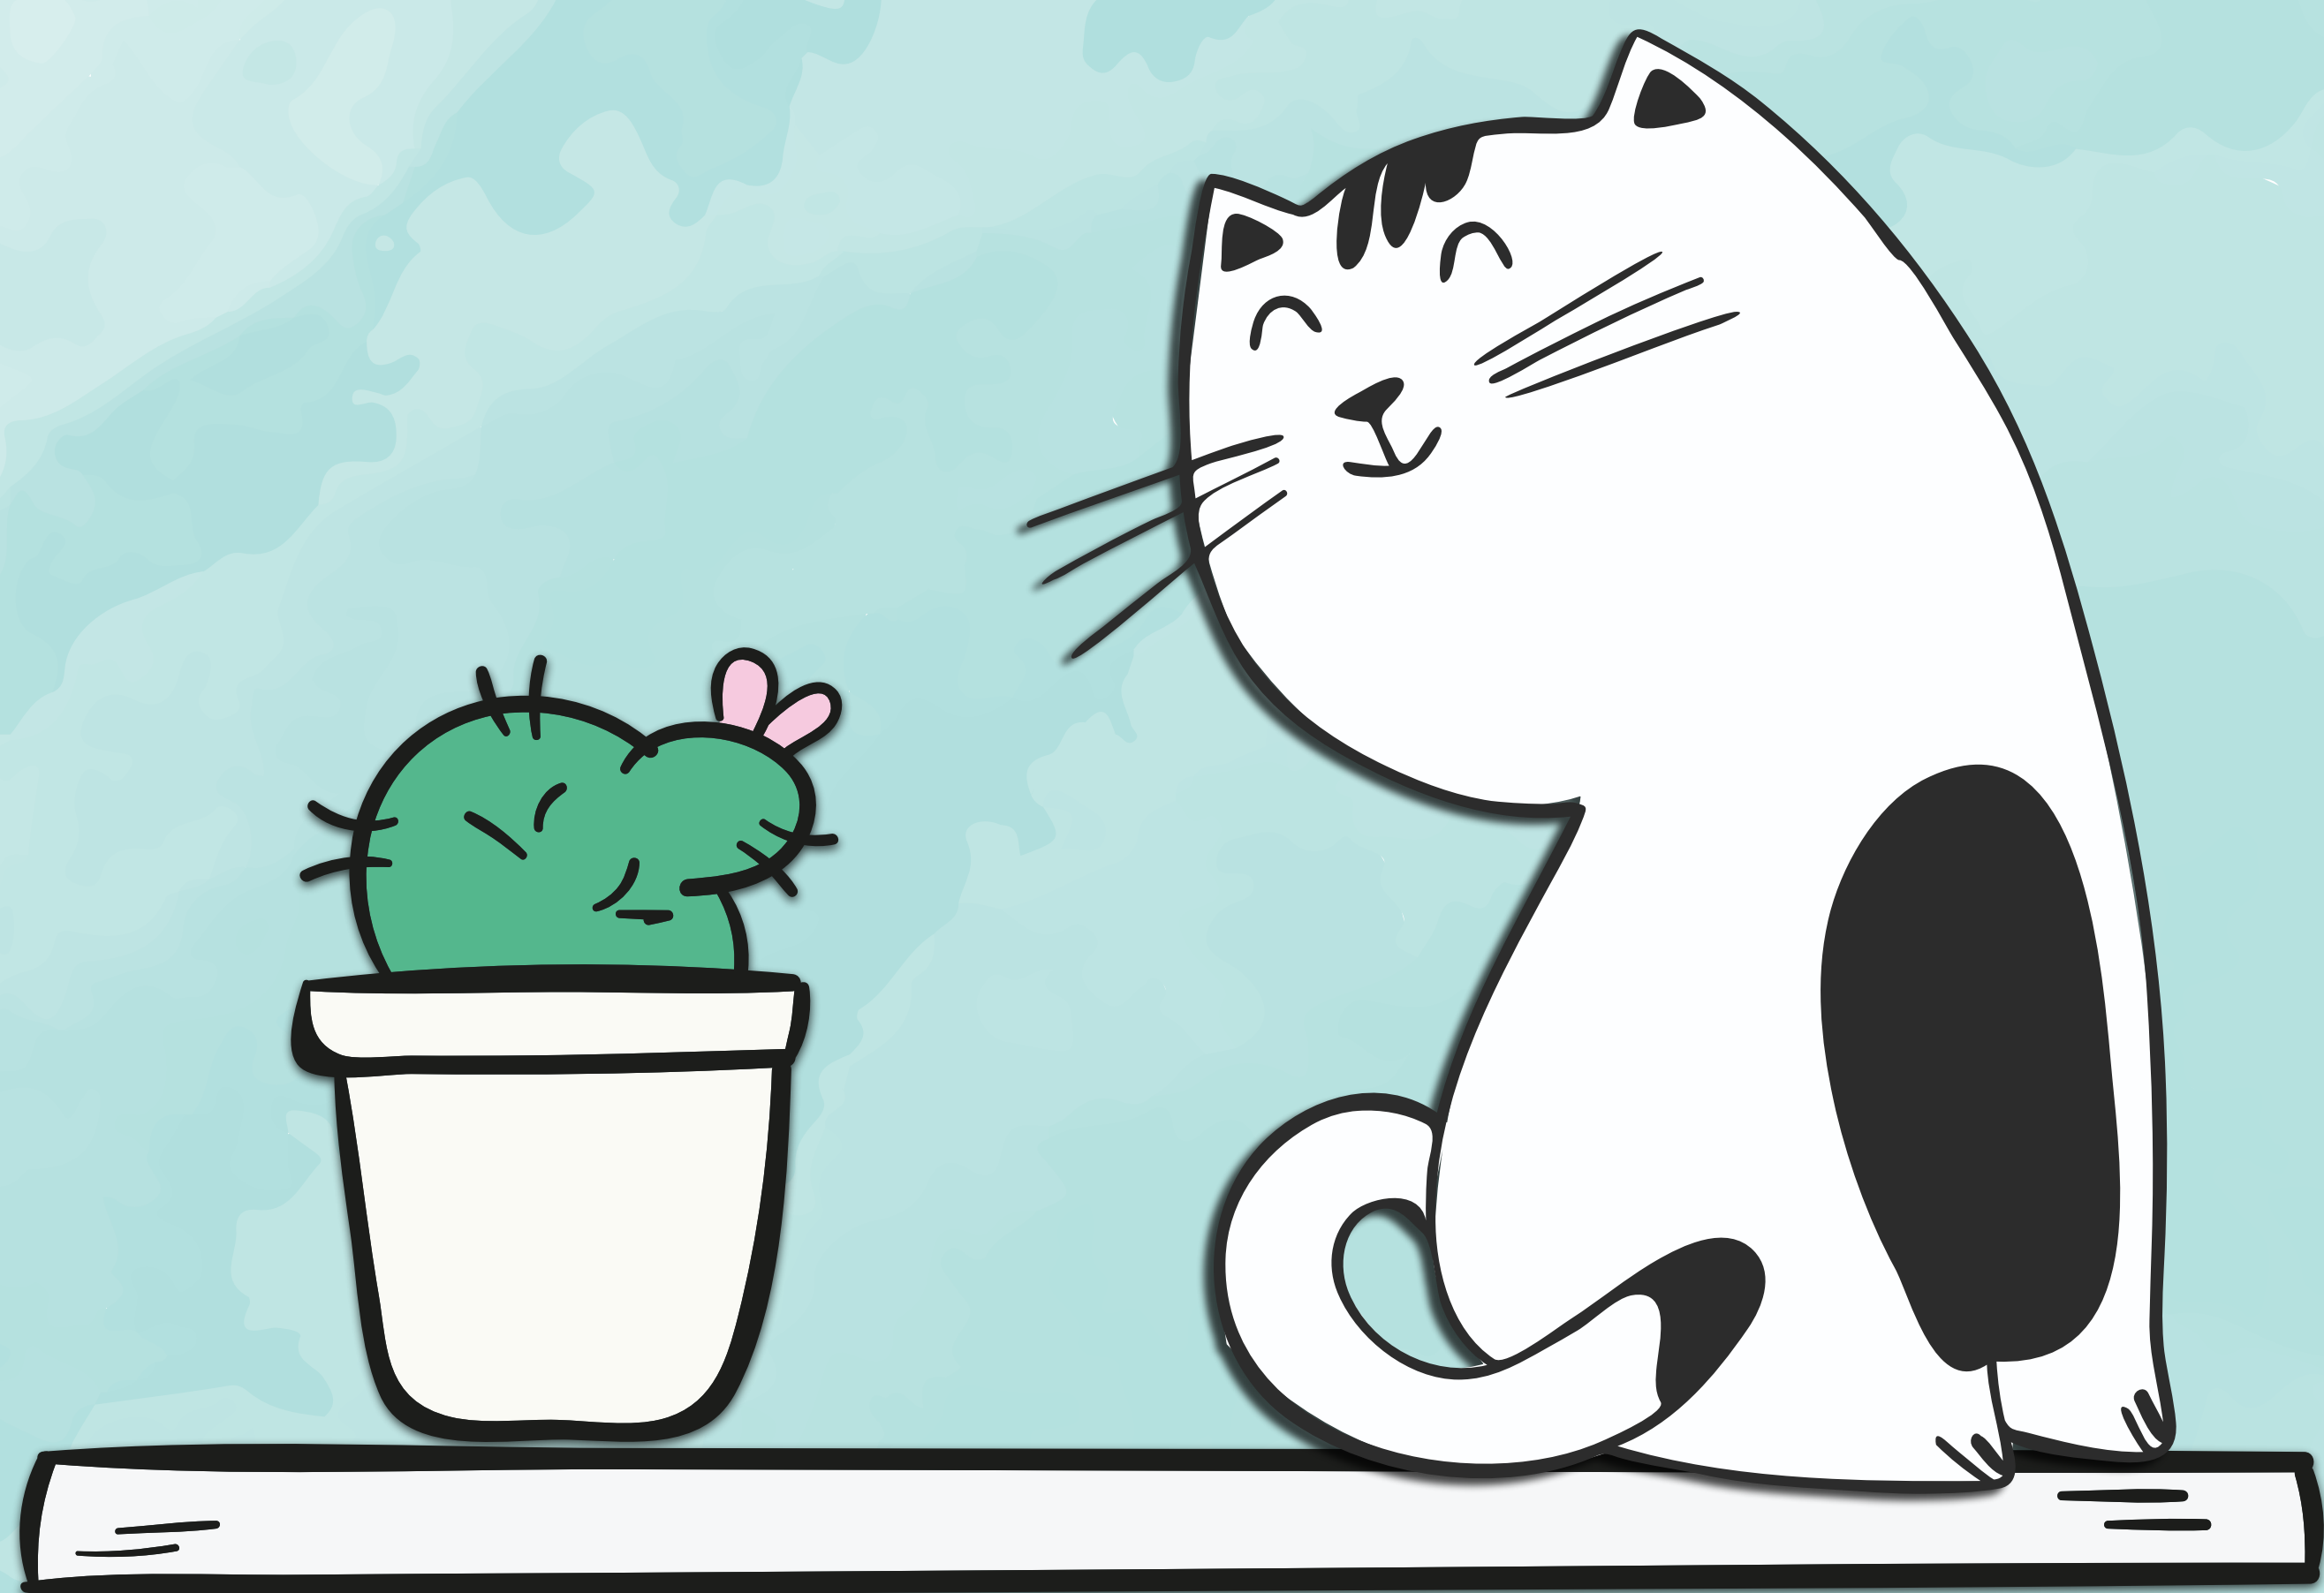

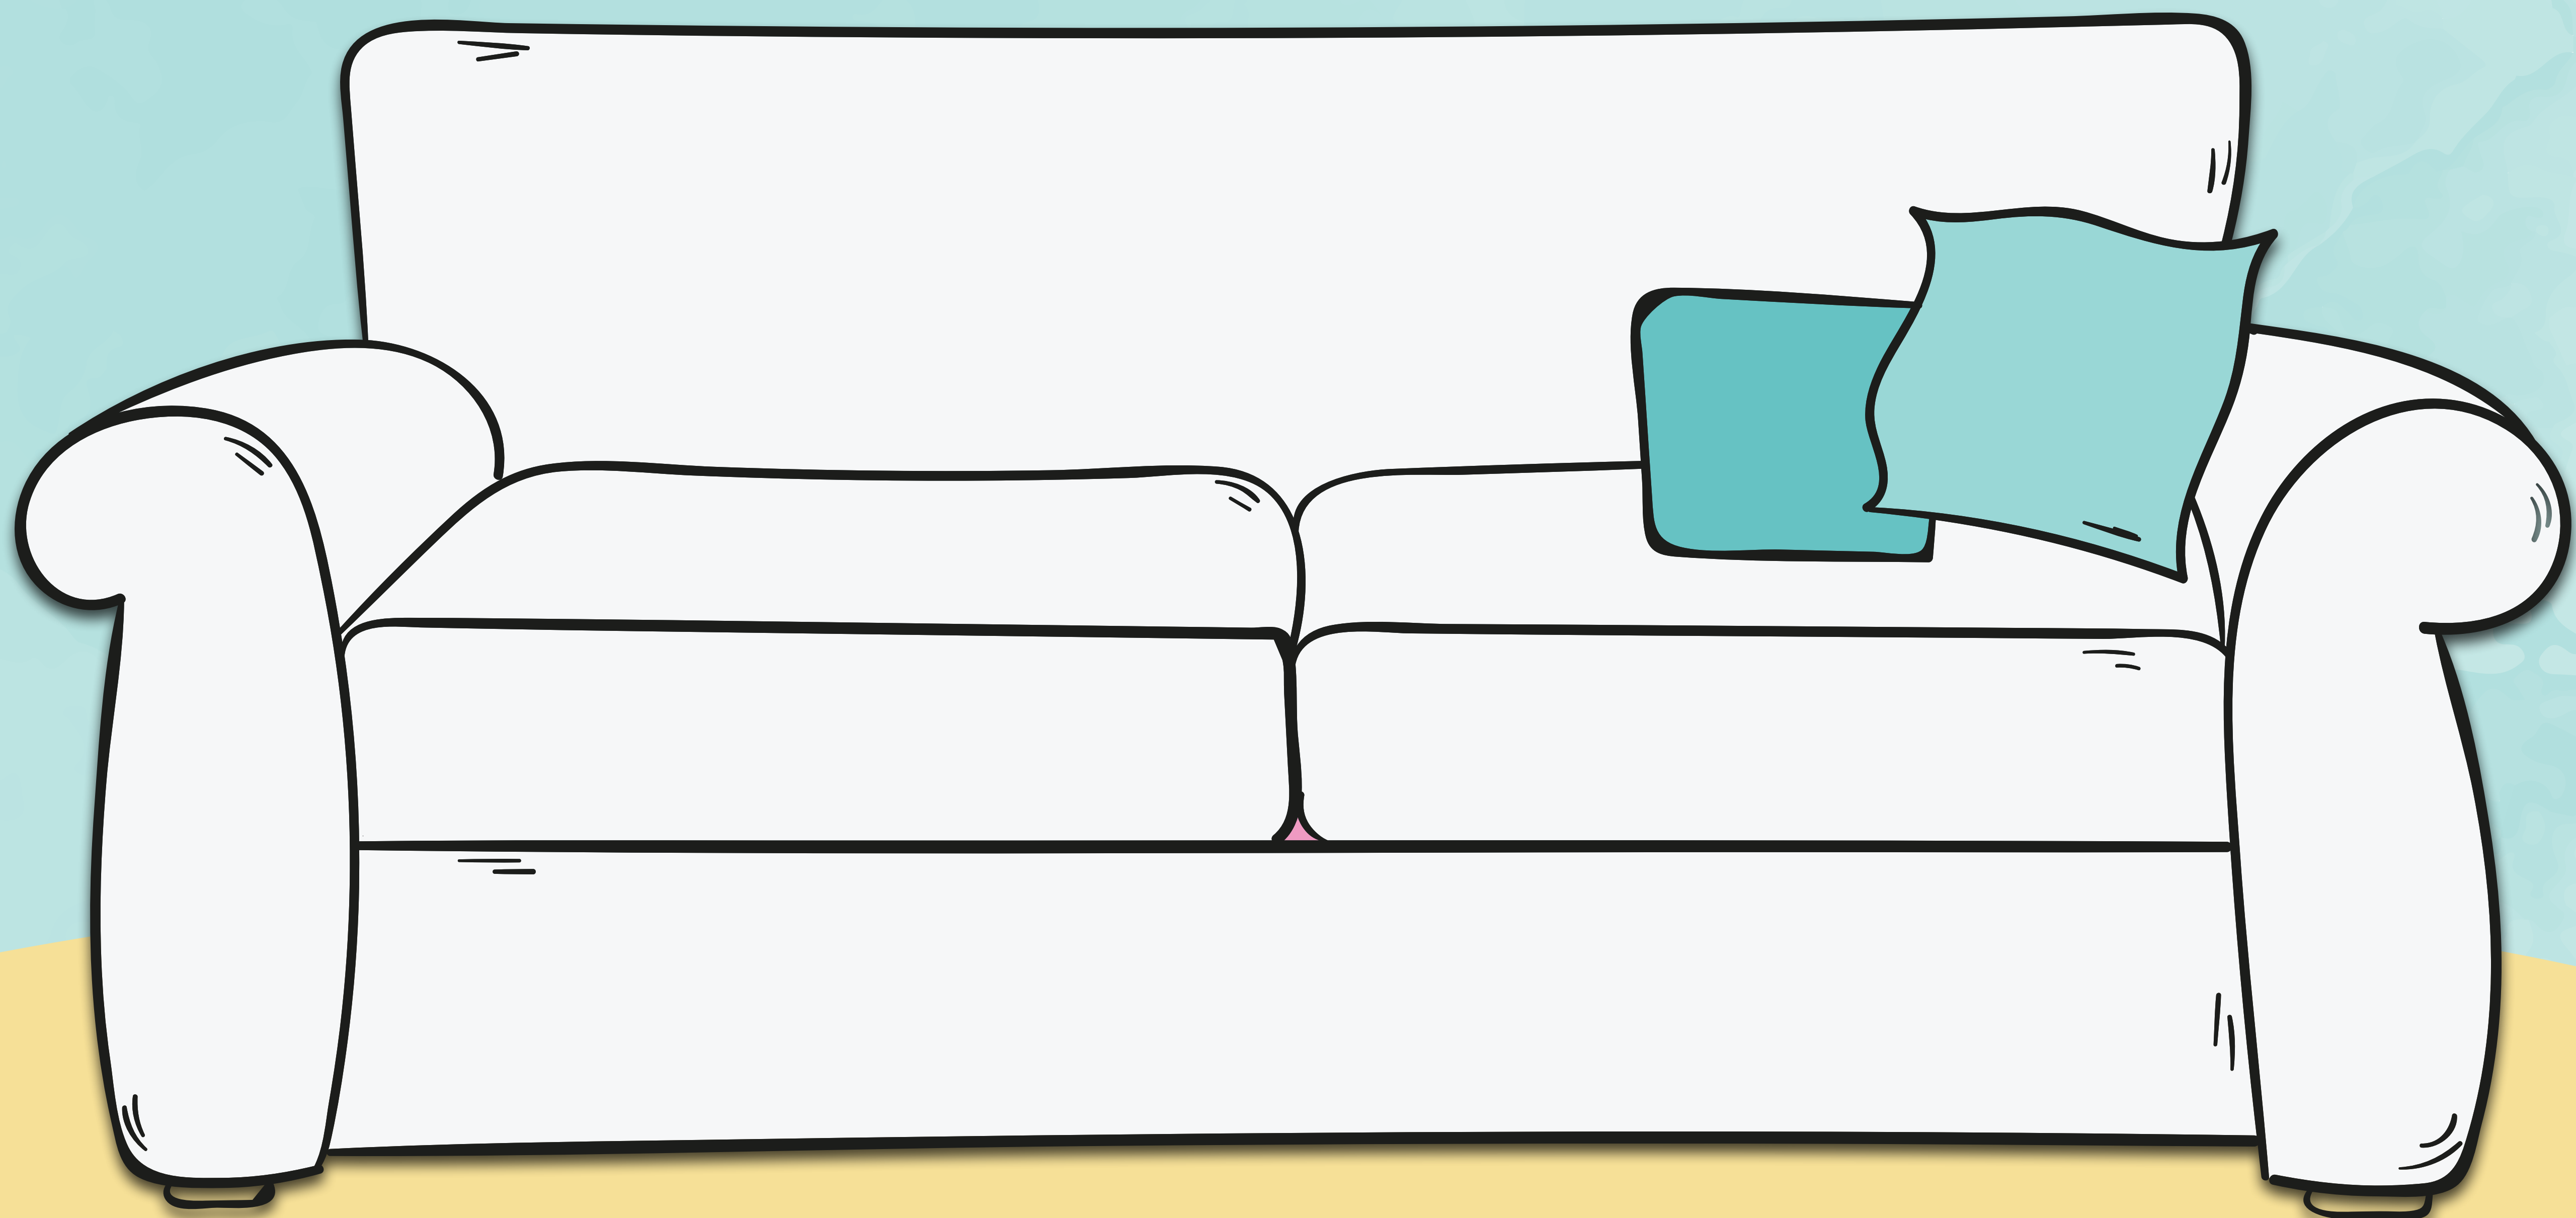

This cat tried
to catch the
toy. It missed.
Up you get
cat. Try again!

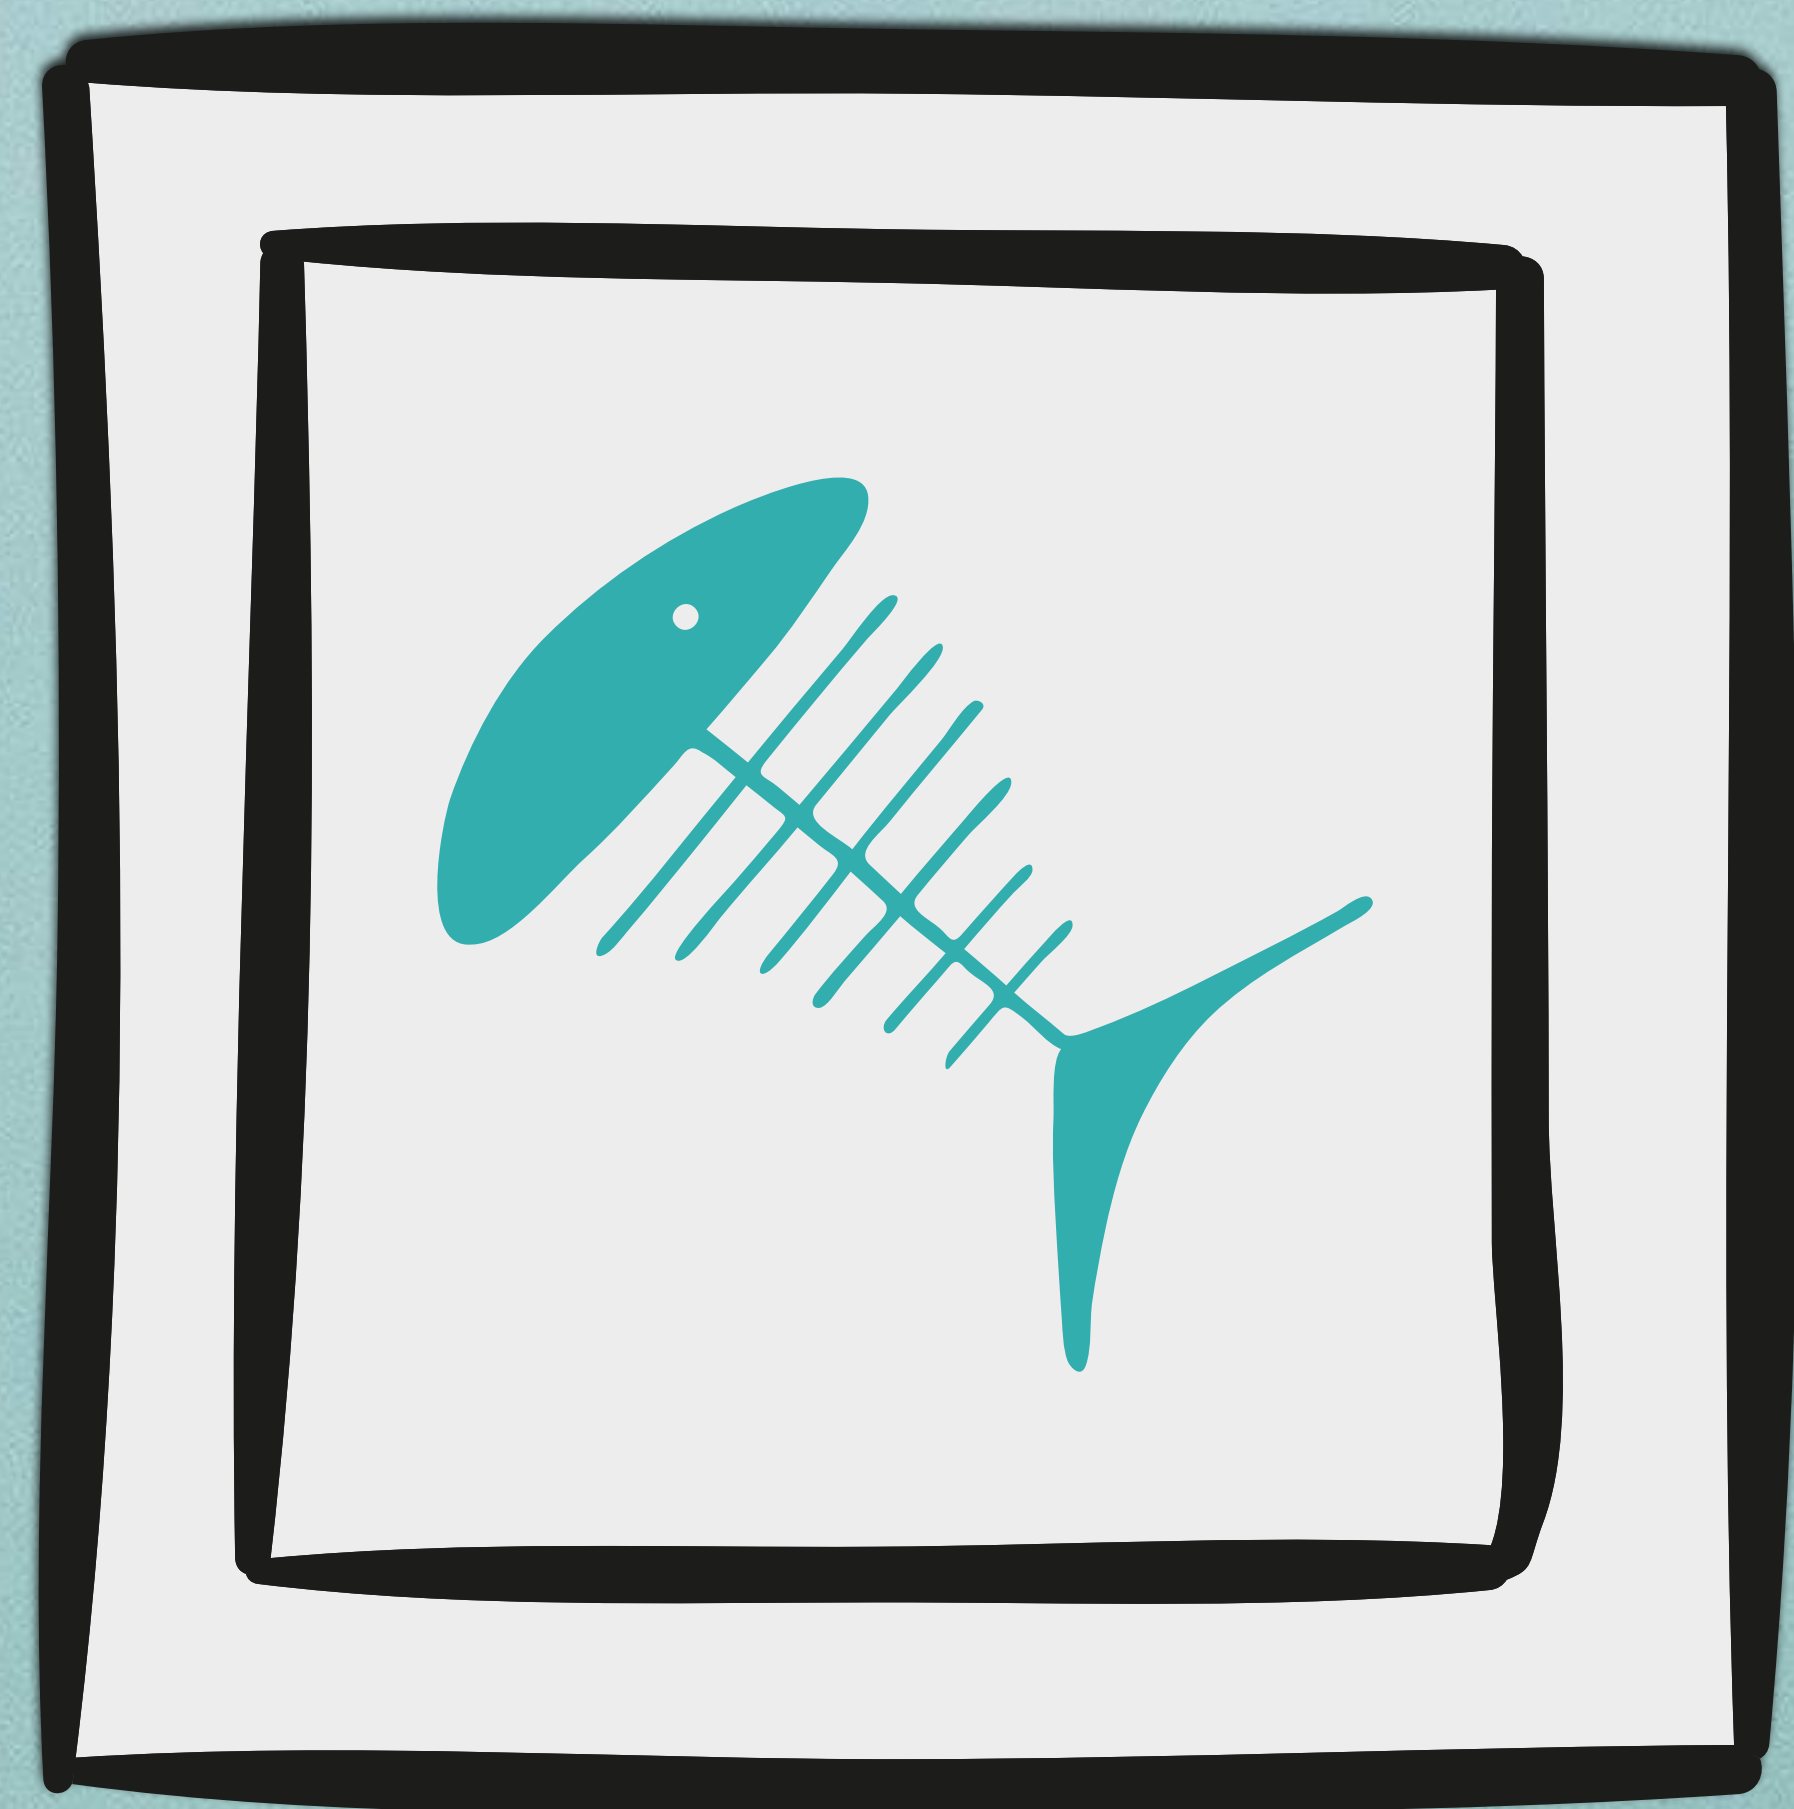

Pet cats. A cat inside.

A cat hunting
for bugs in
the yellow
flowers.

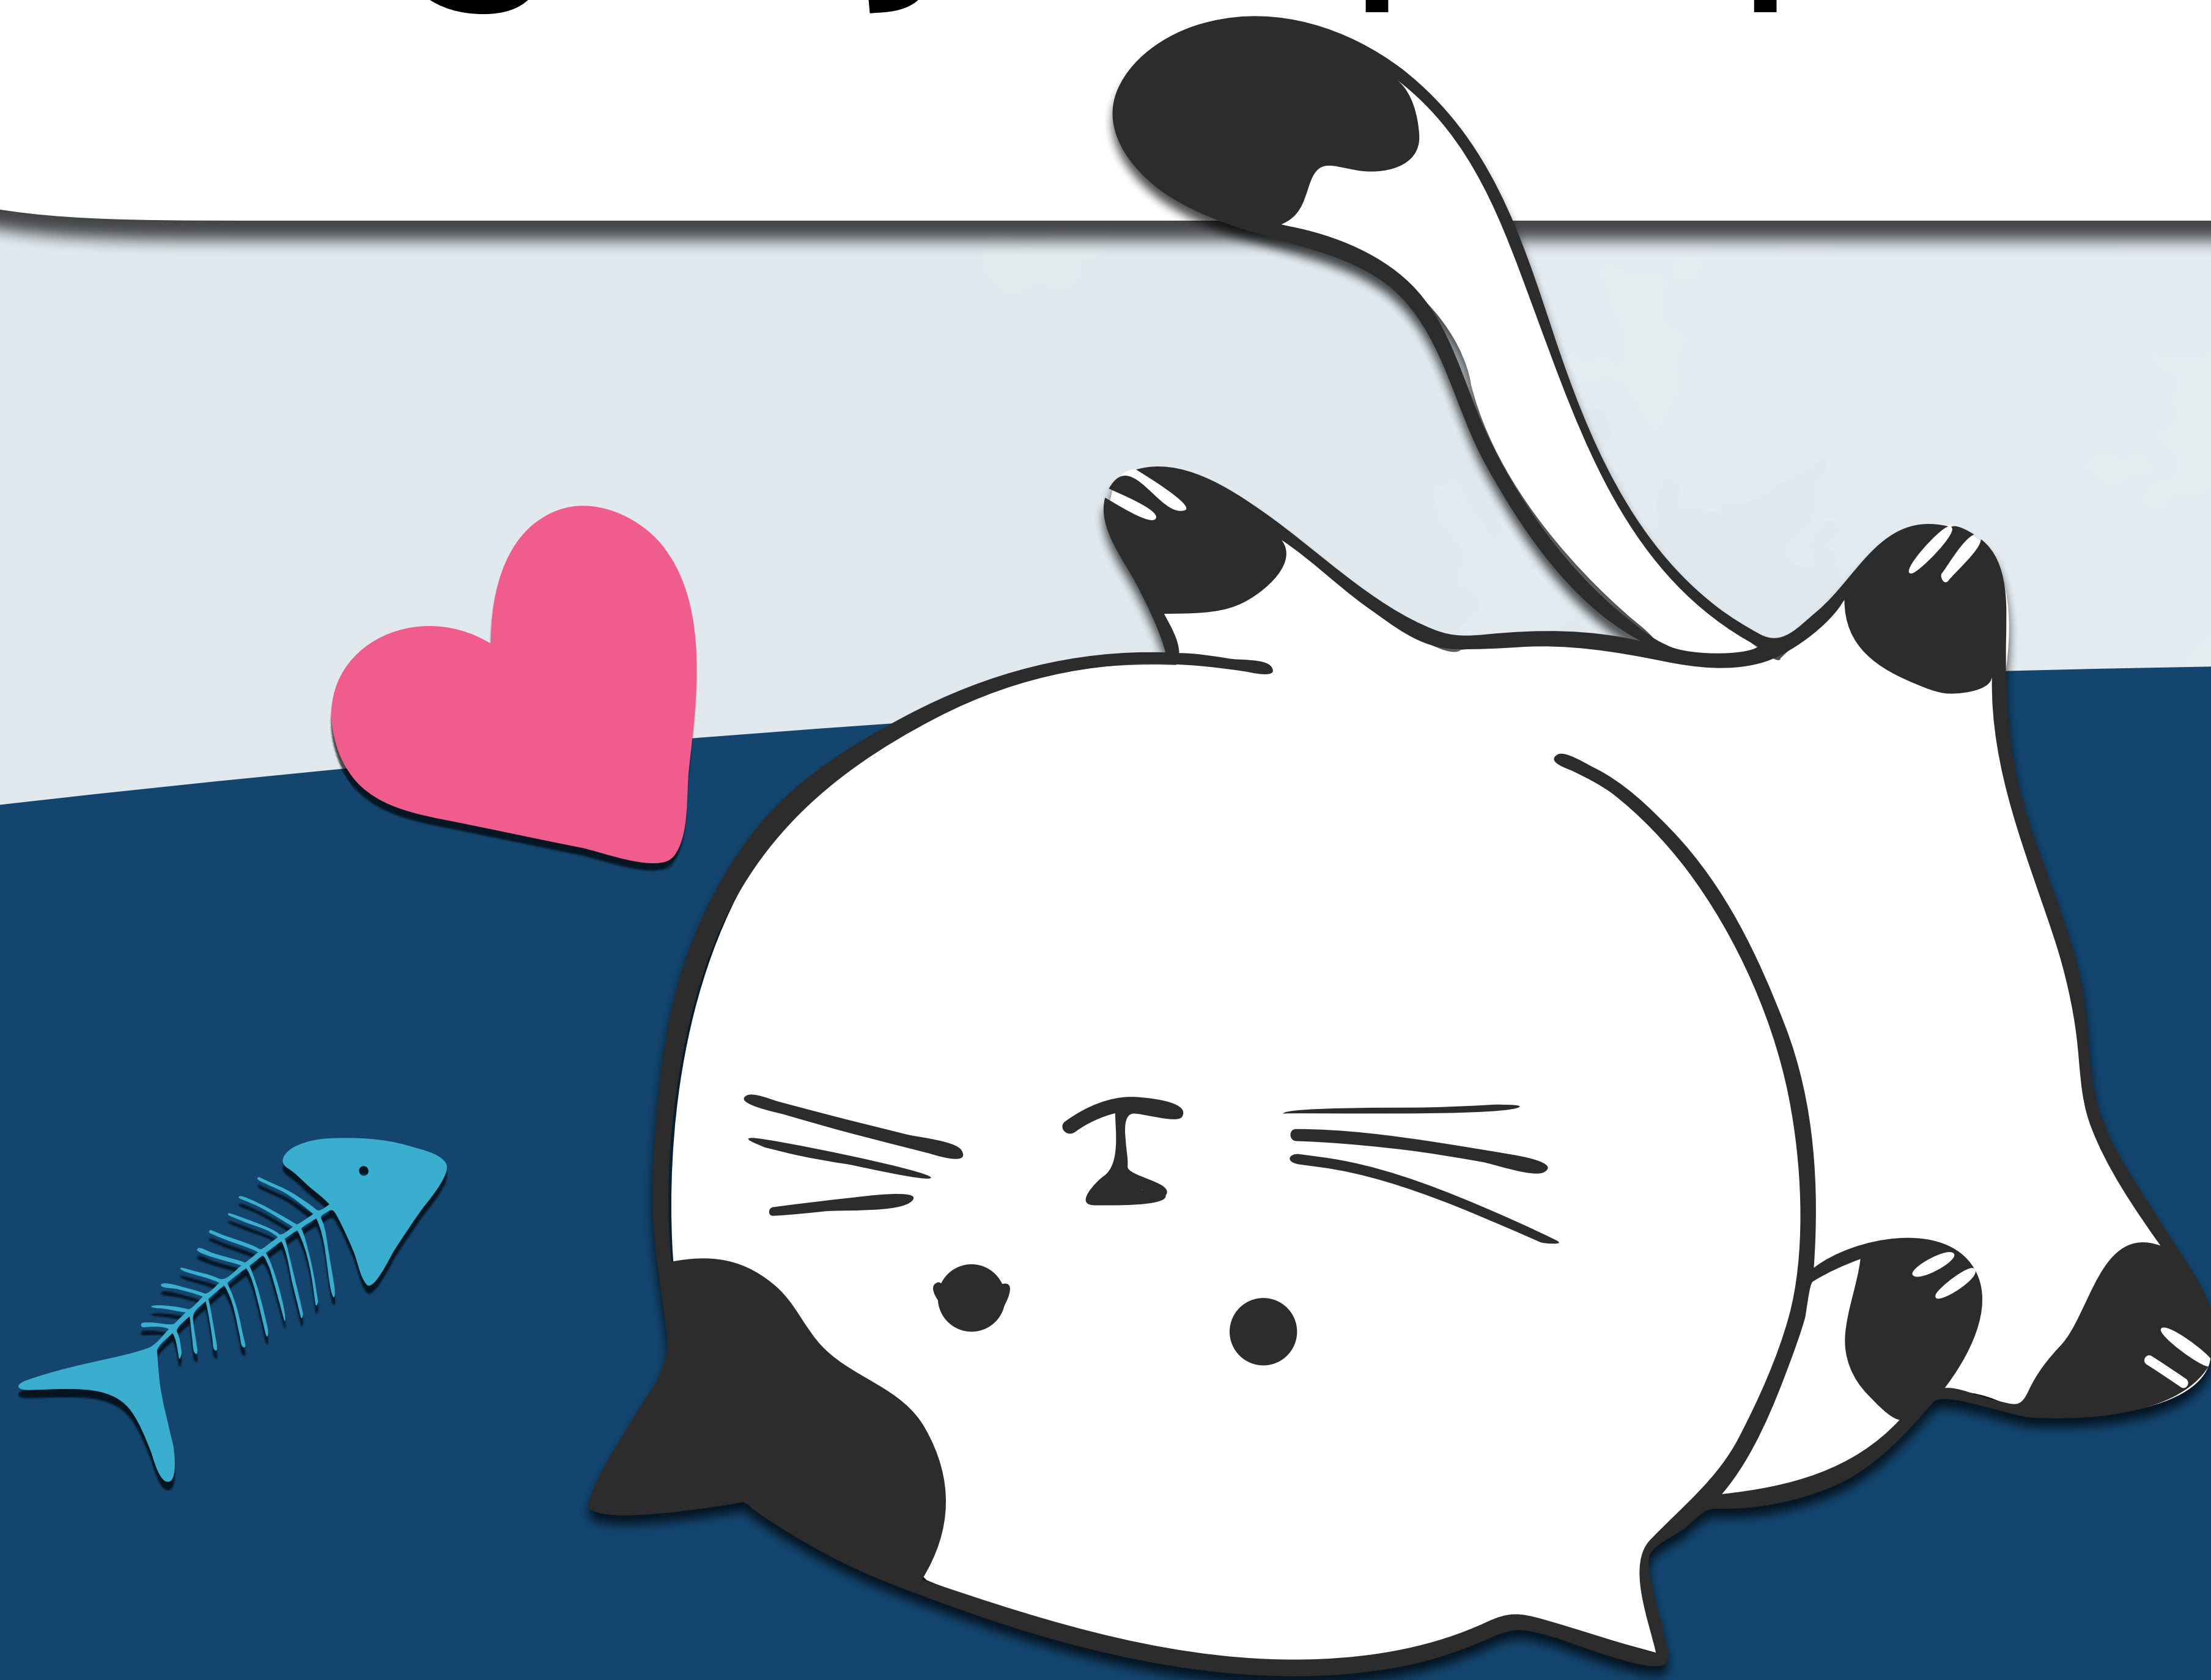

A cat all curled
up in a ball for a
nap in the sun.

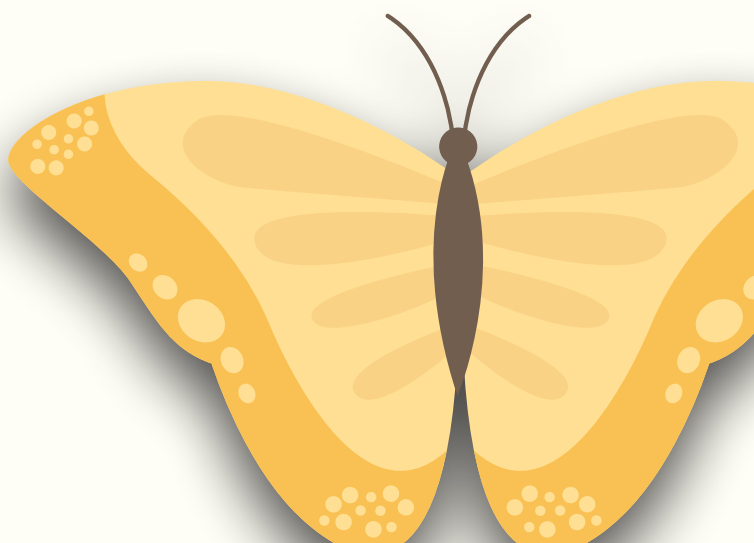

It is an upside-down cat!
This cat is on a rug. It is
very still. If you pet the cat,
it might jump up and play!

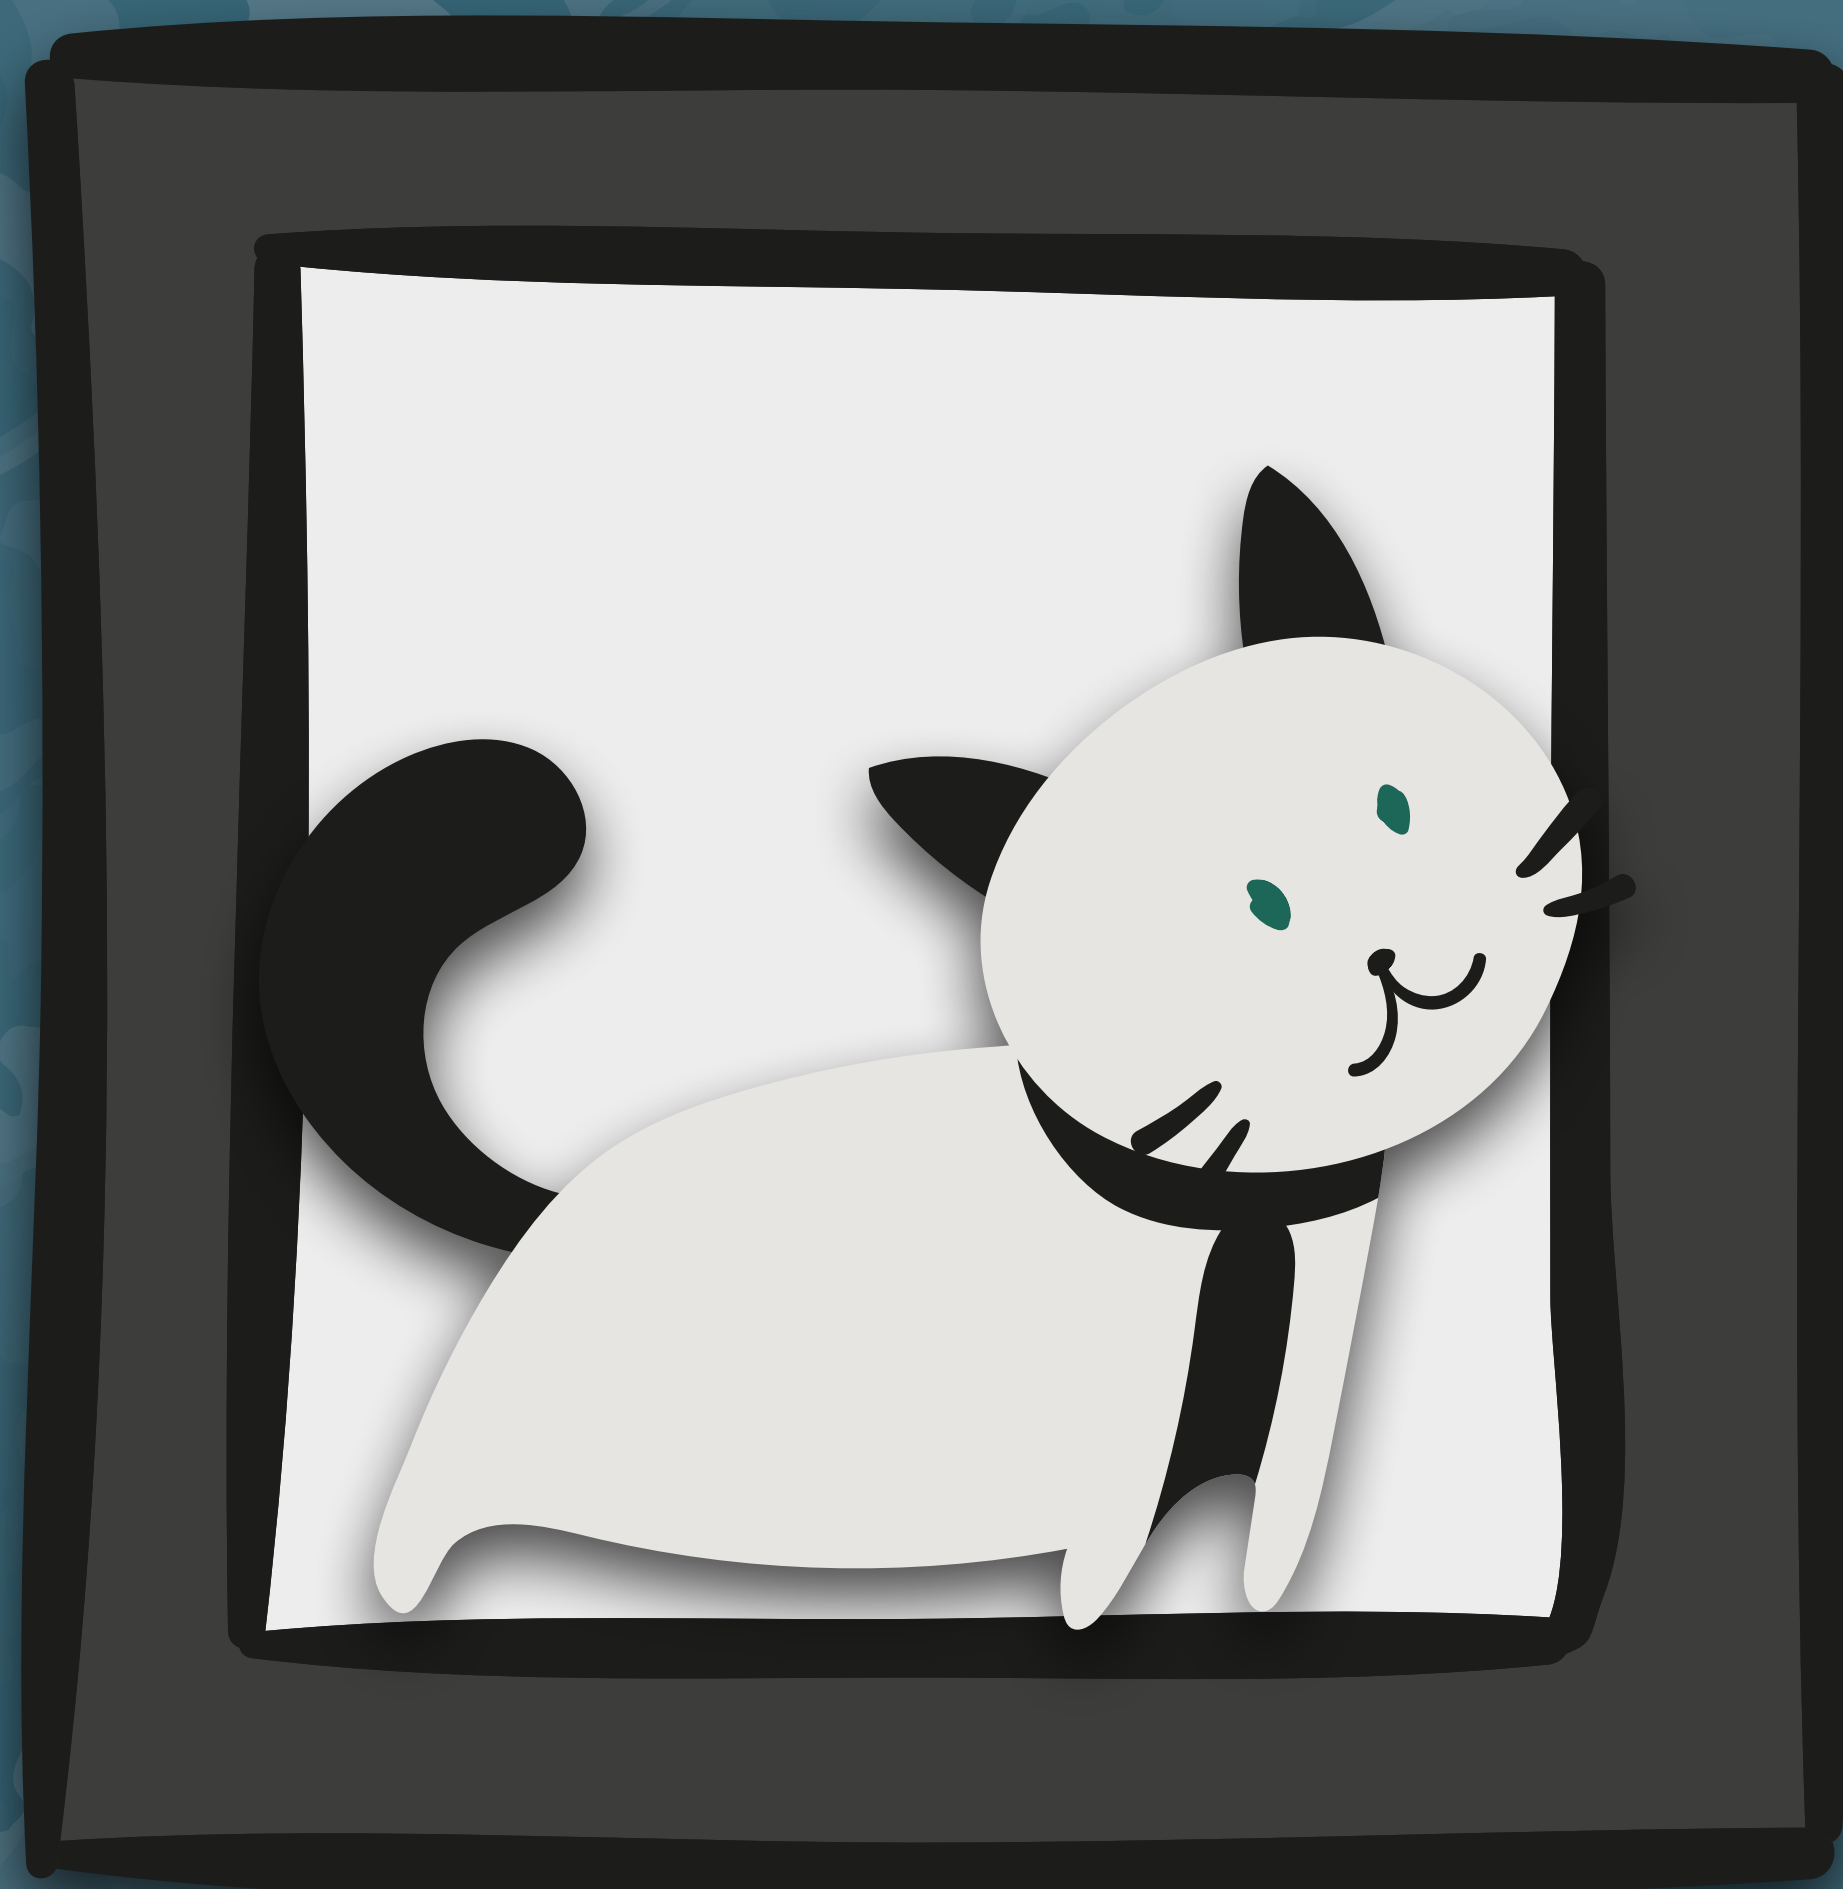

This cat can see a butterfly.
Will it fly away? Will the cat
try to play?

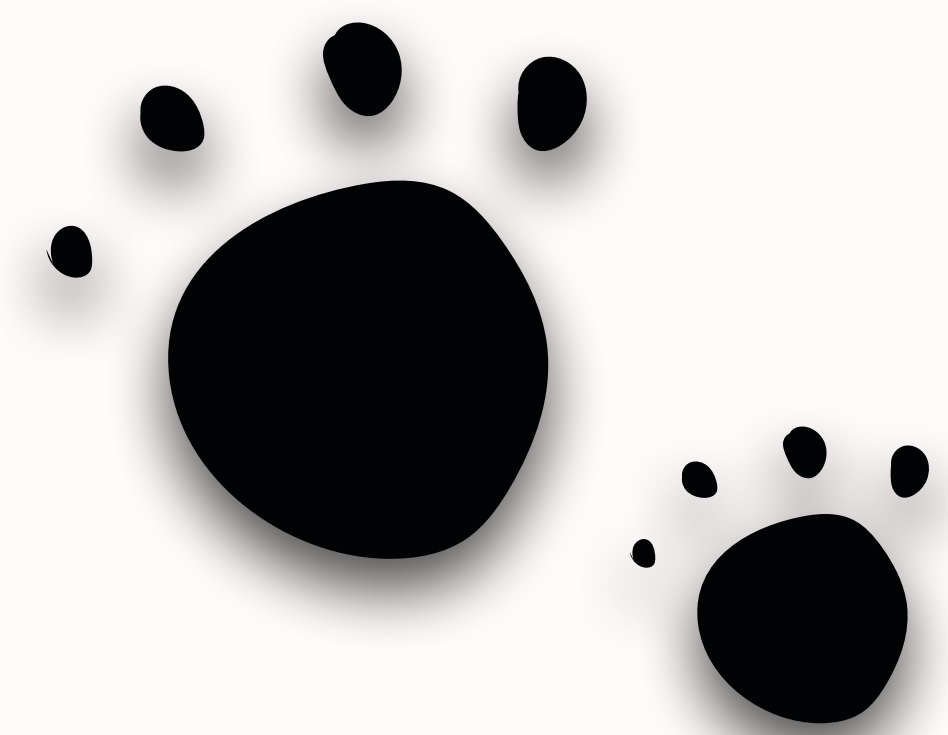

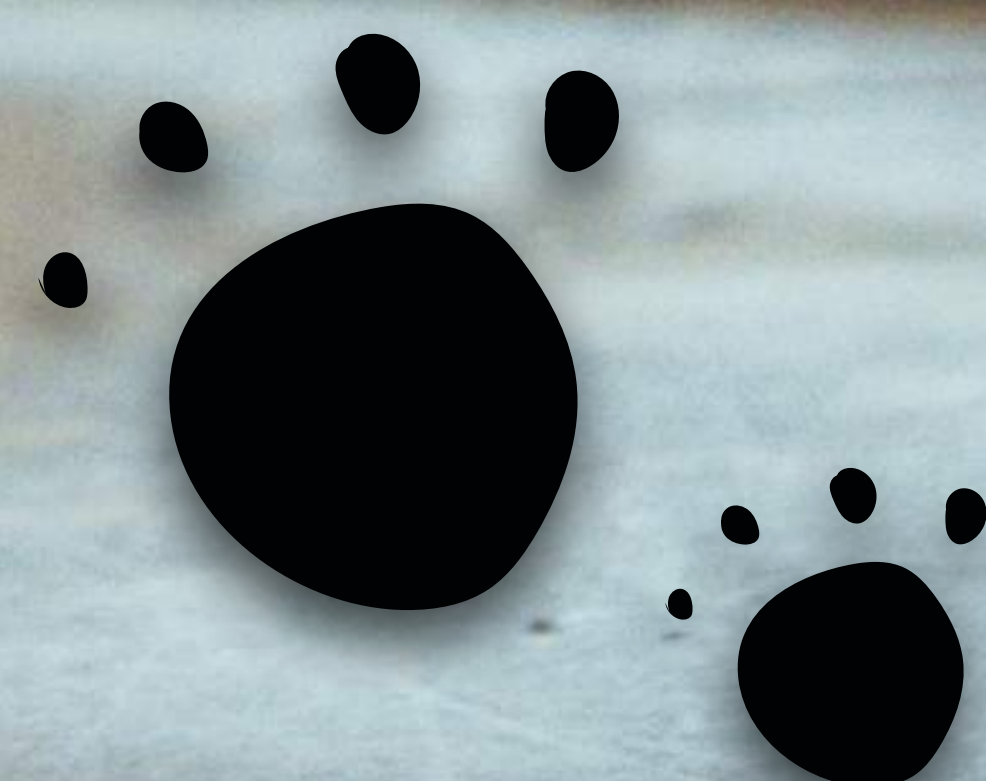

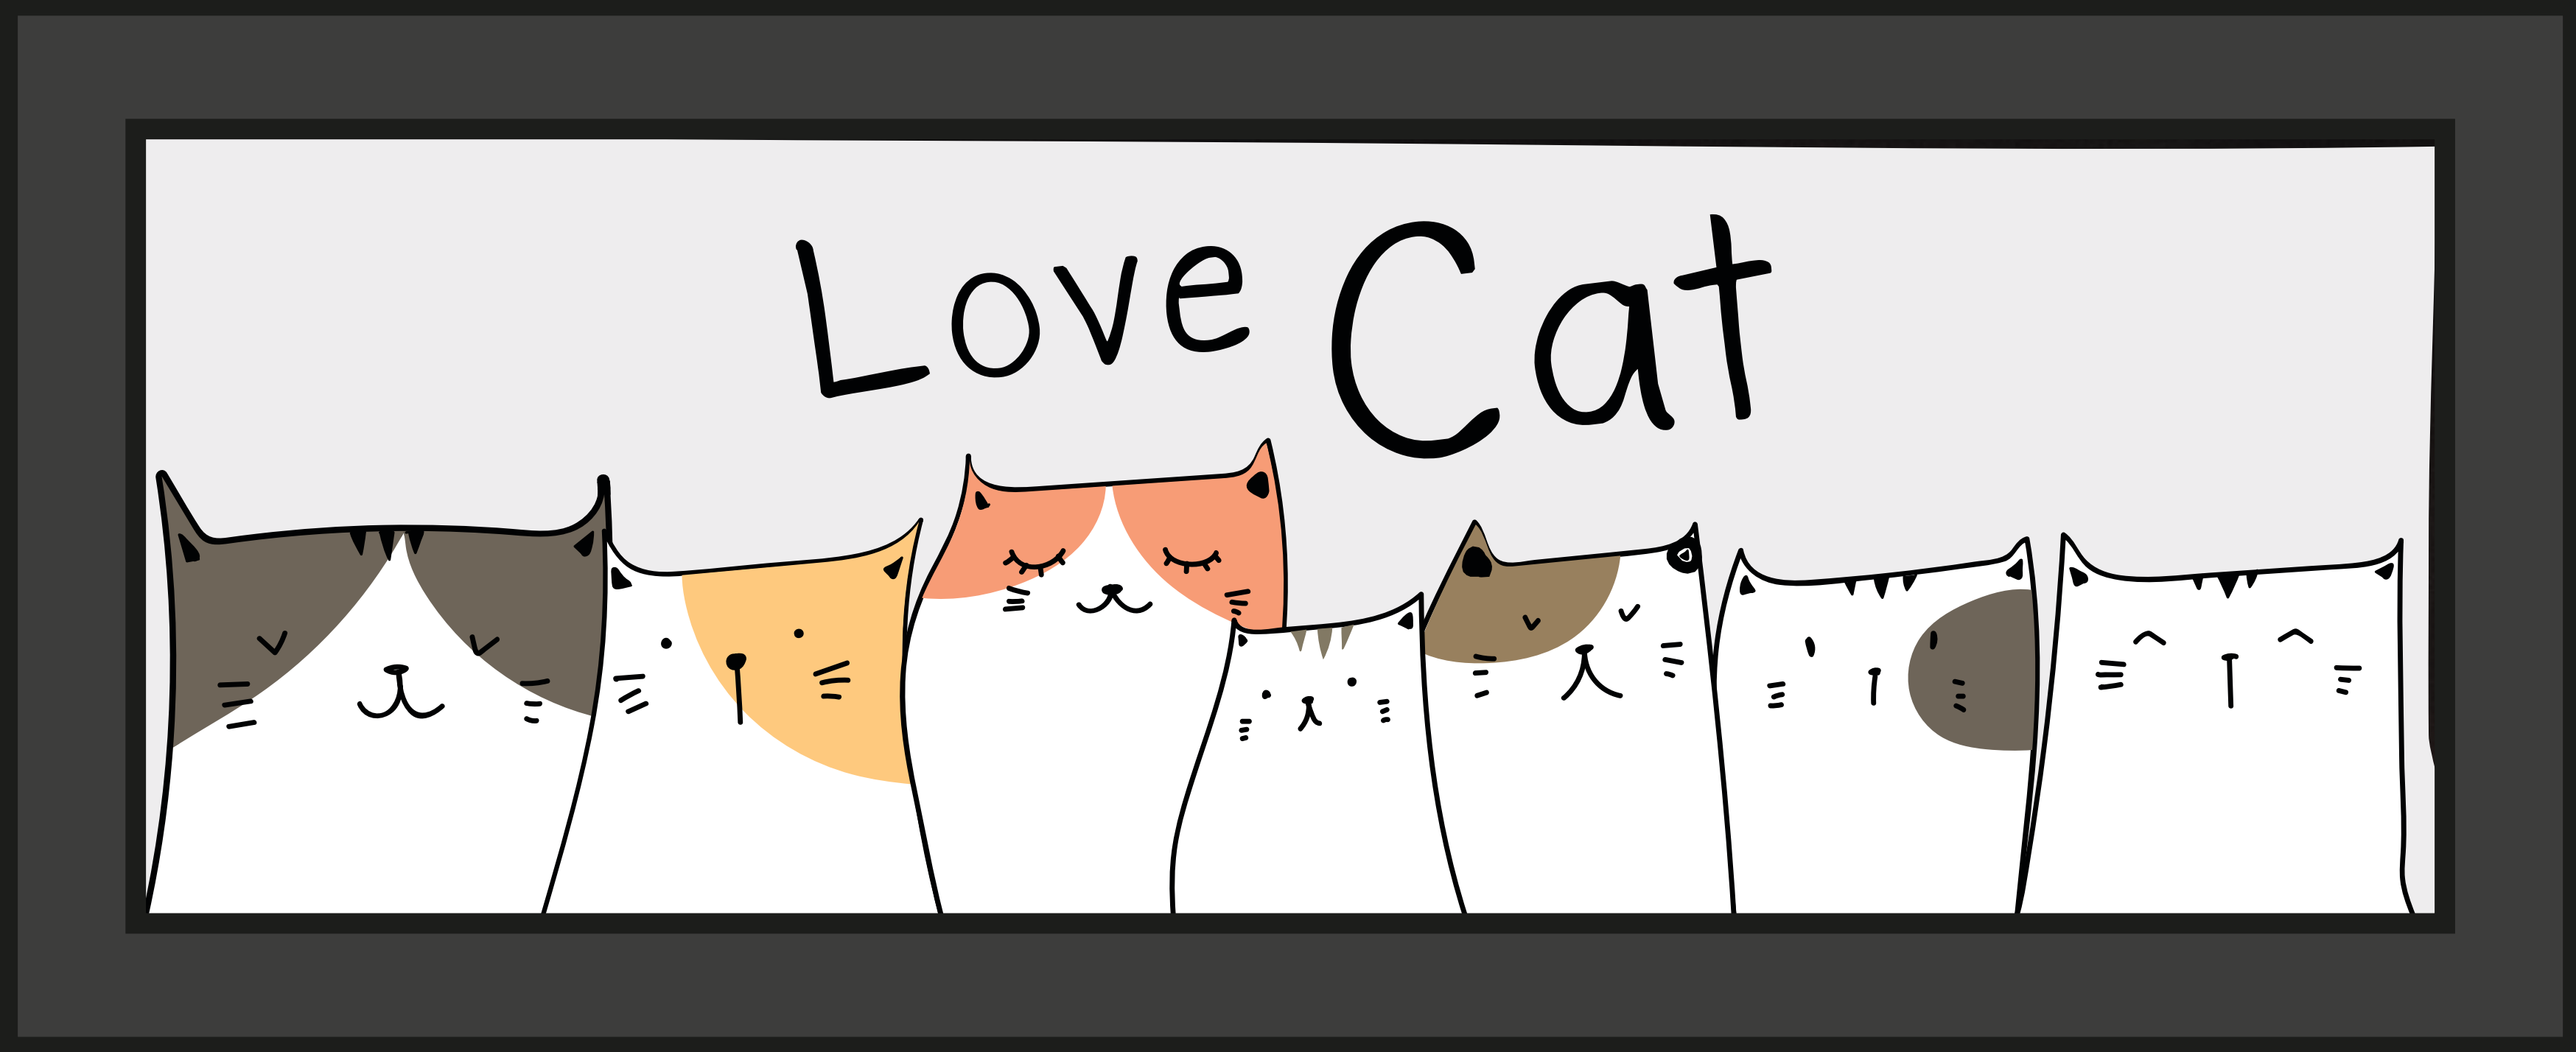

Pet cats. These cats all
look very different.

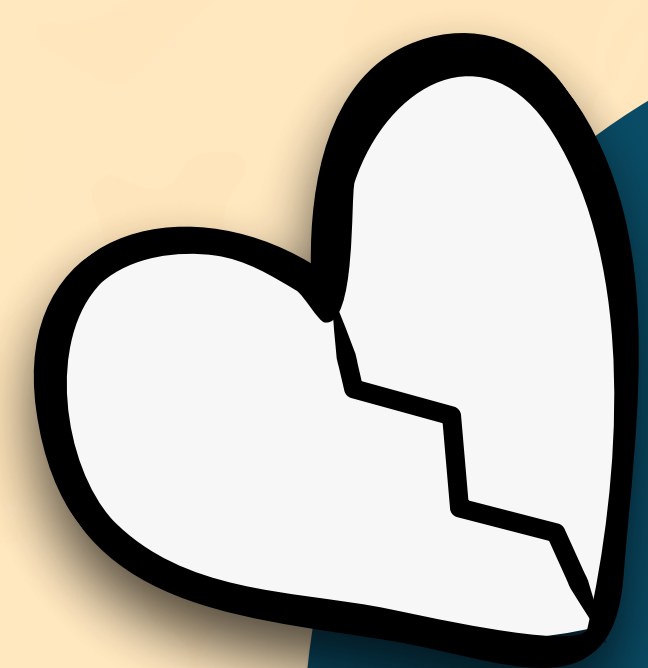

Their fur is different

colors. Their eyes are

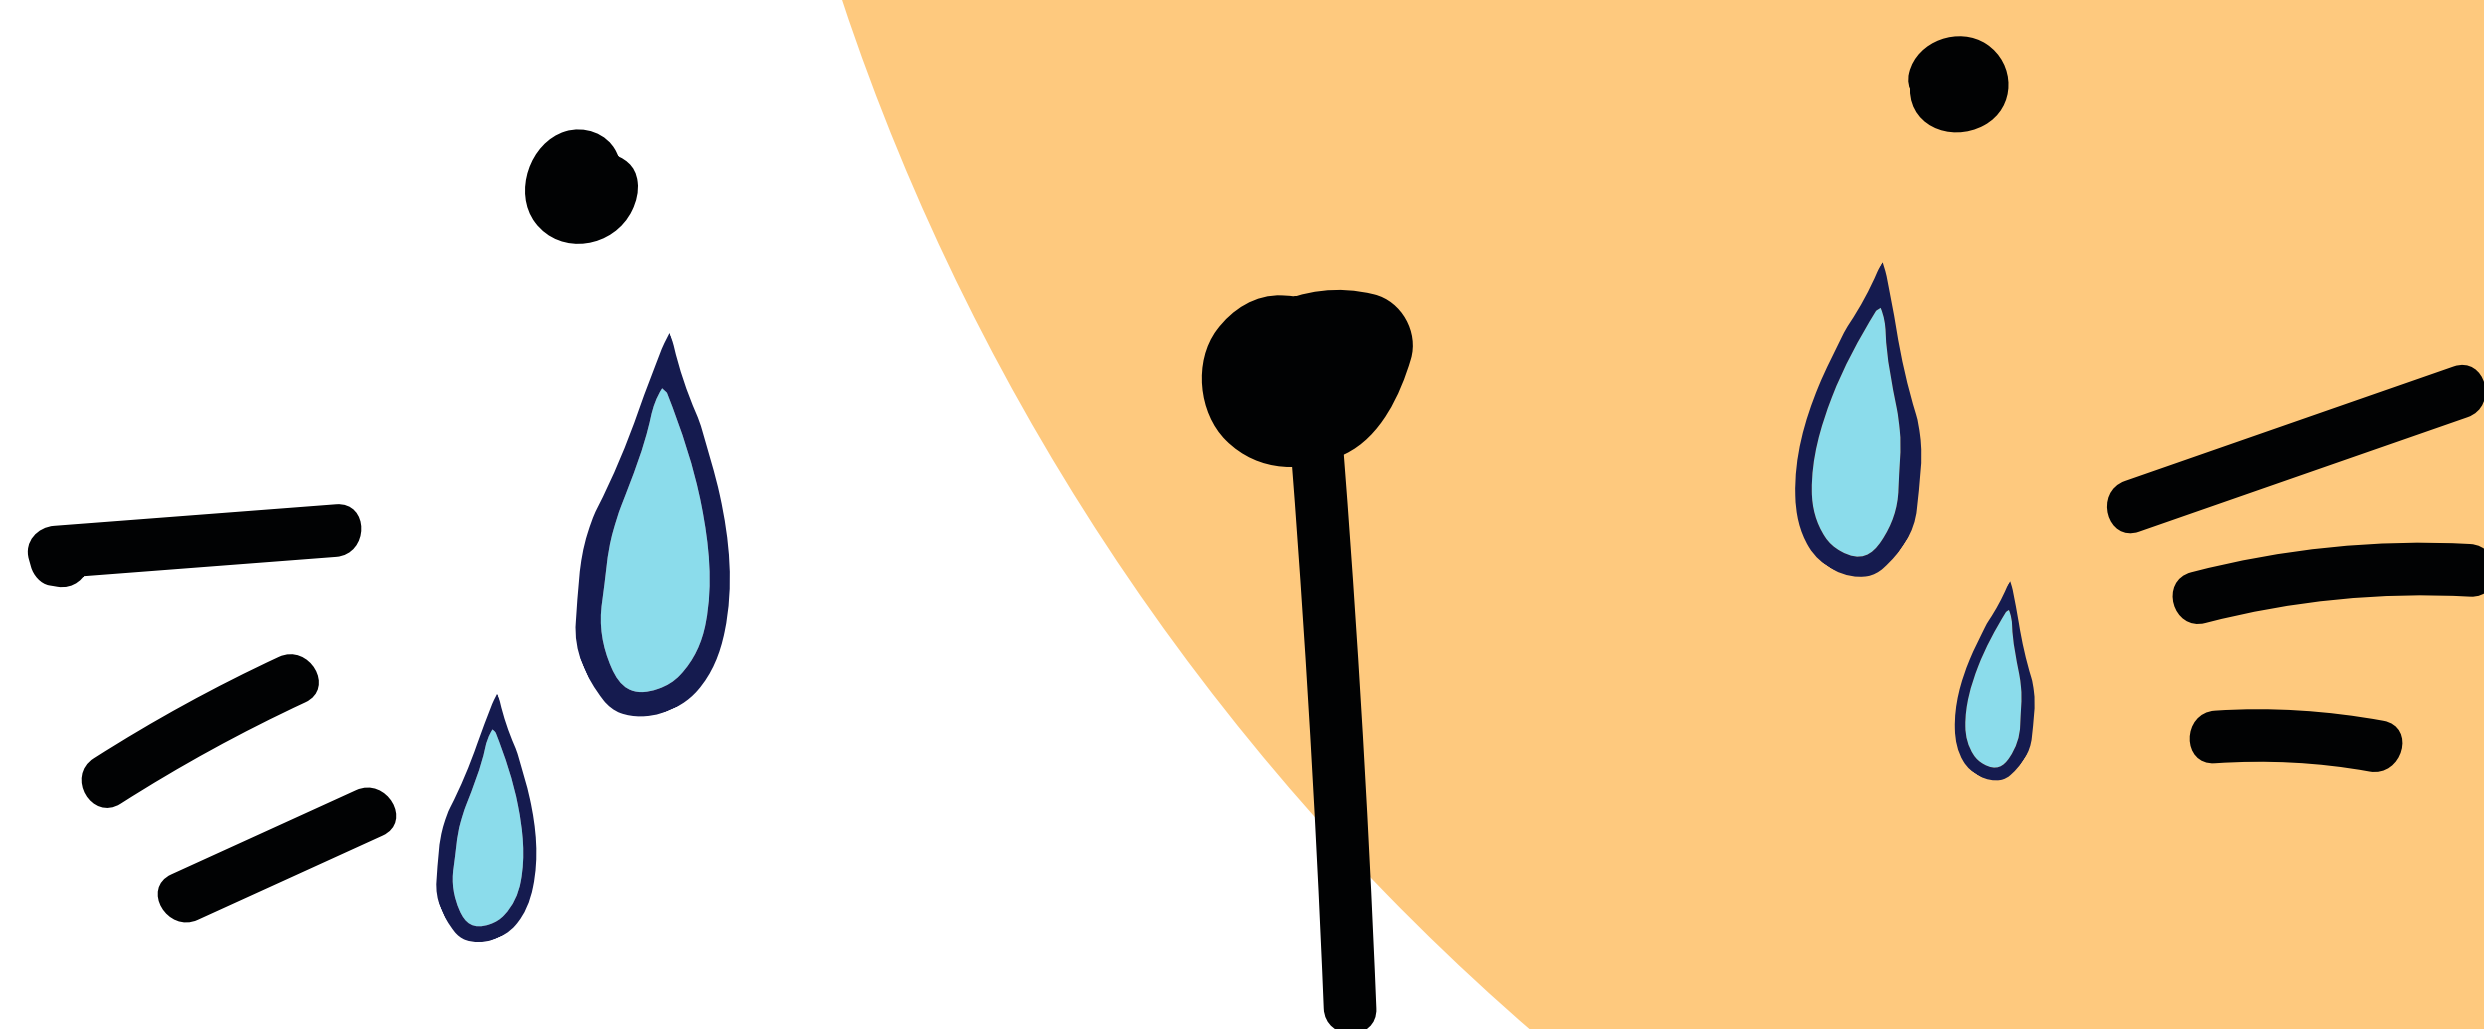

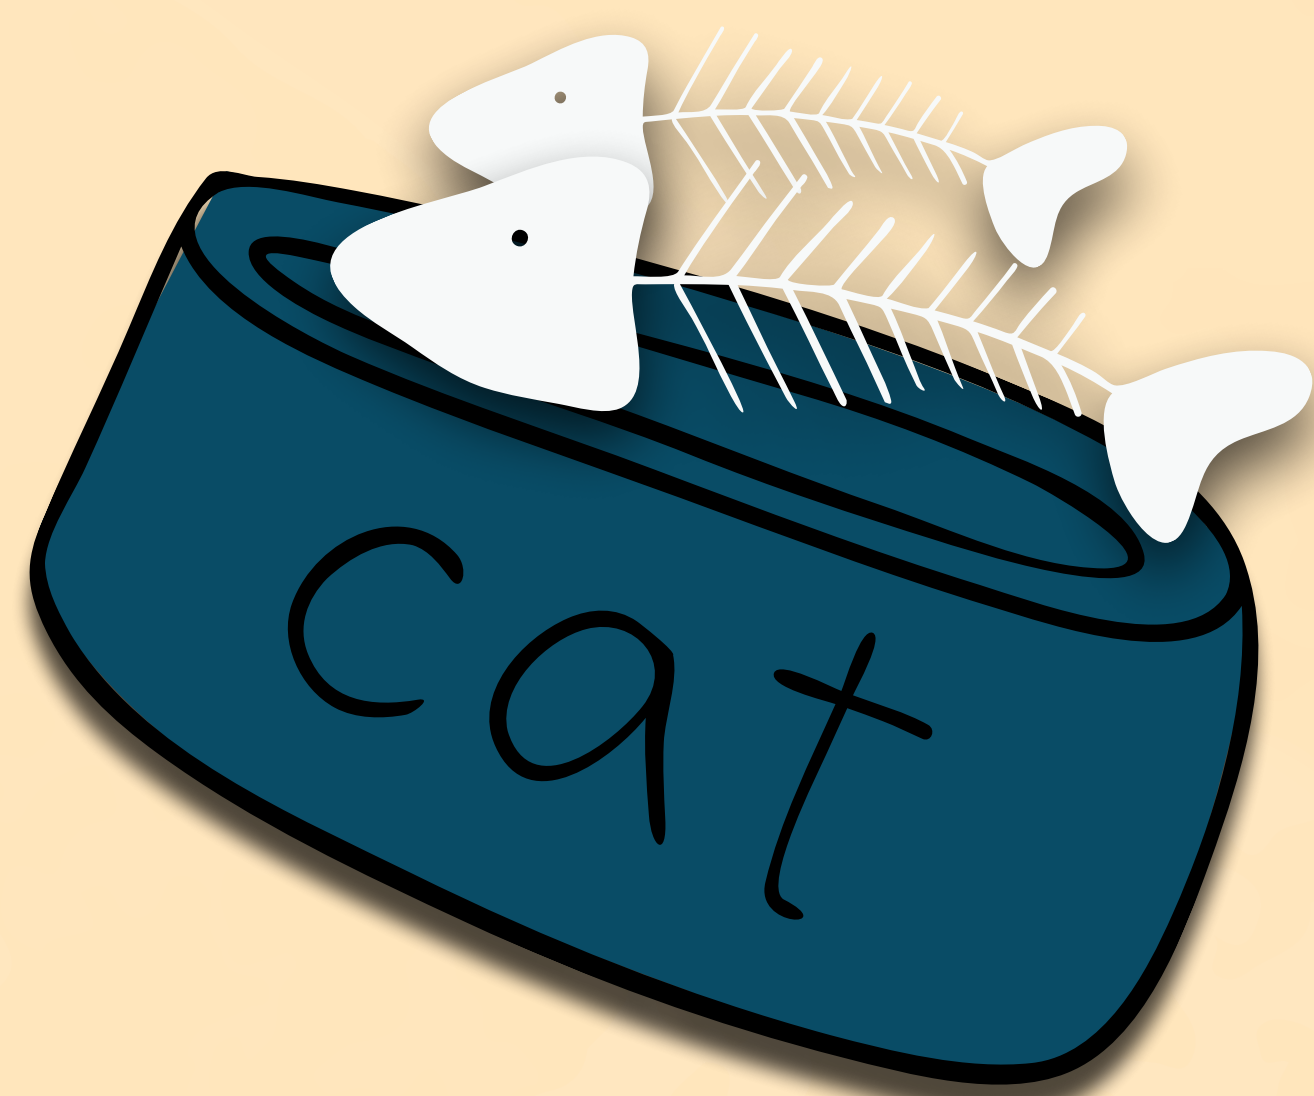

different colors.

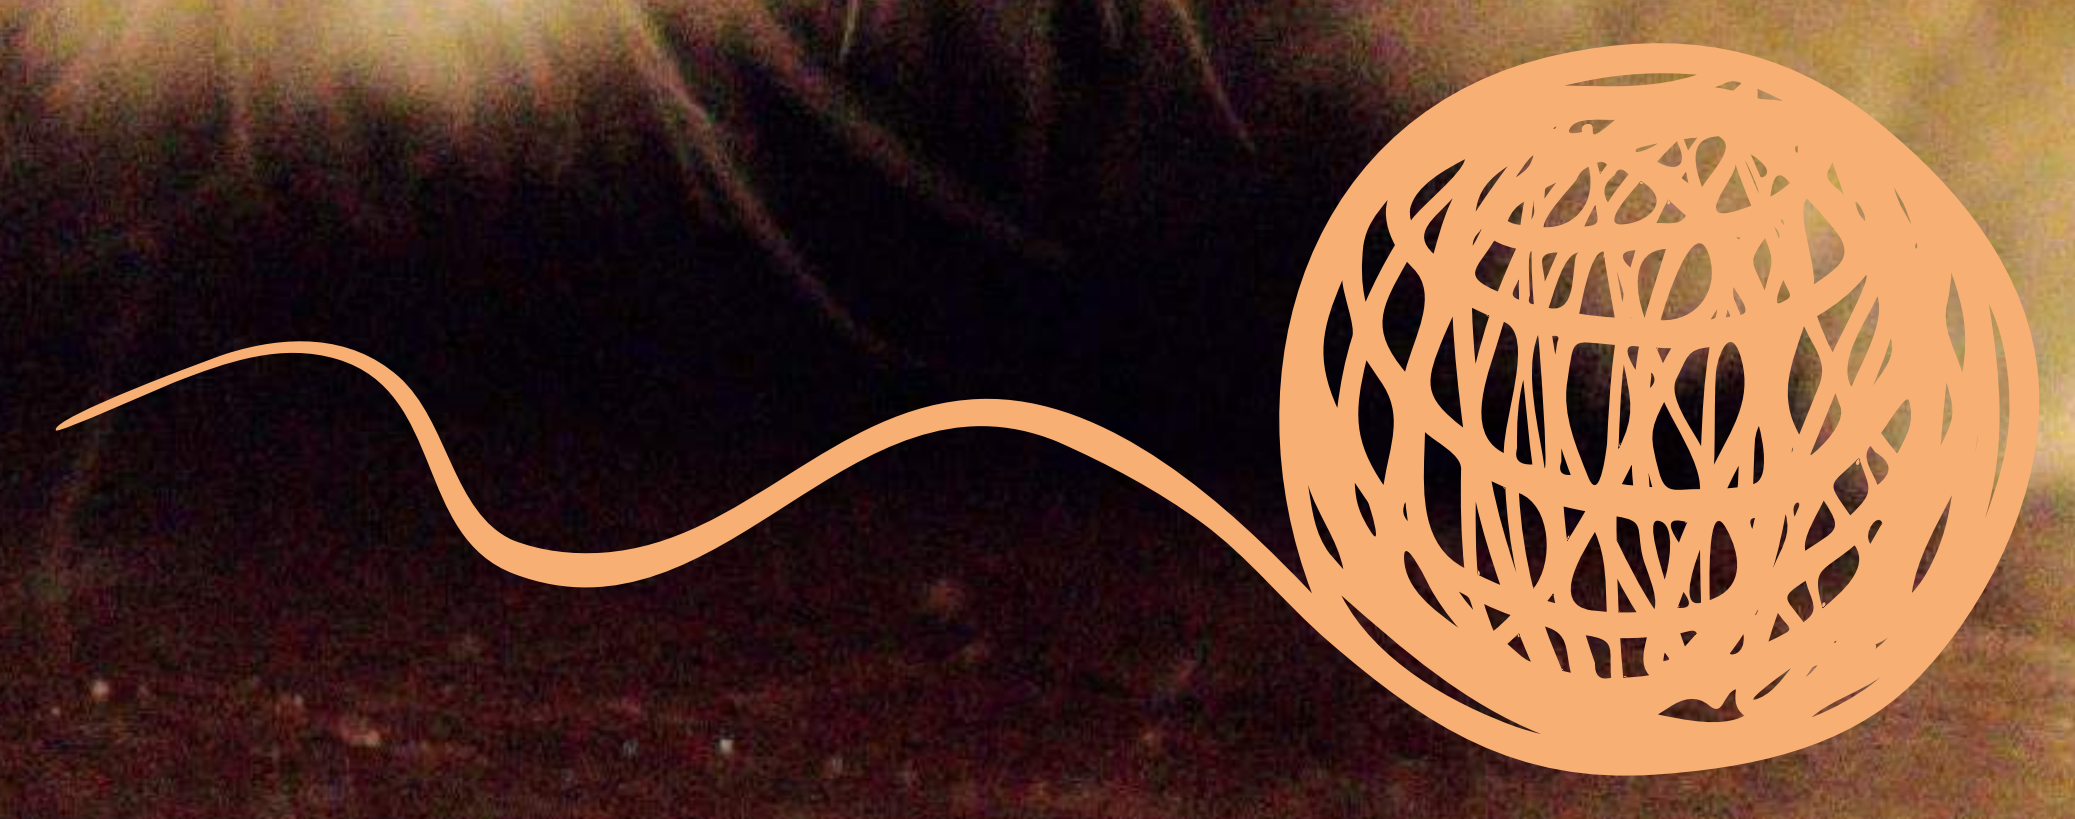

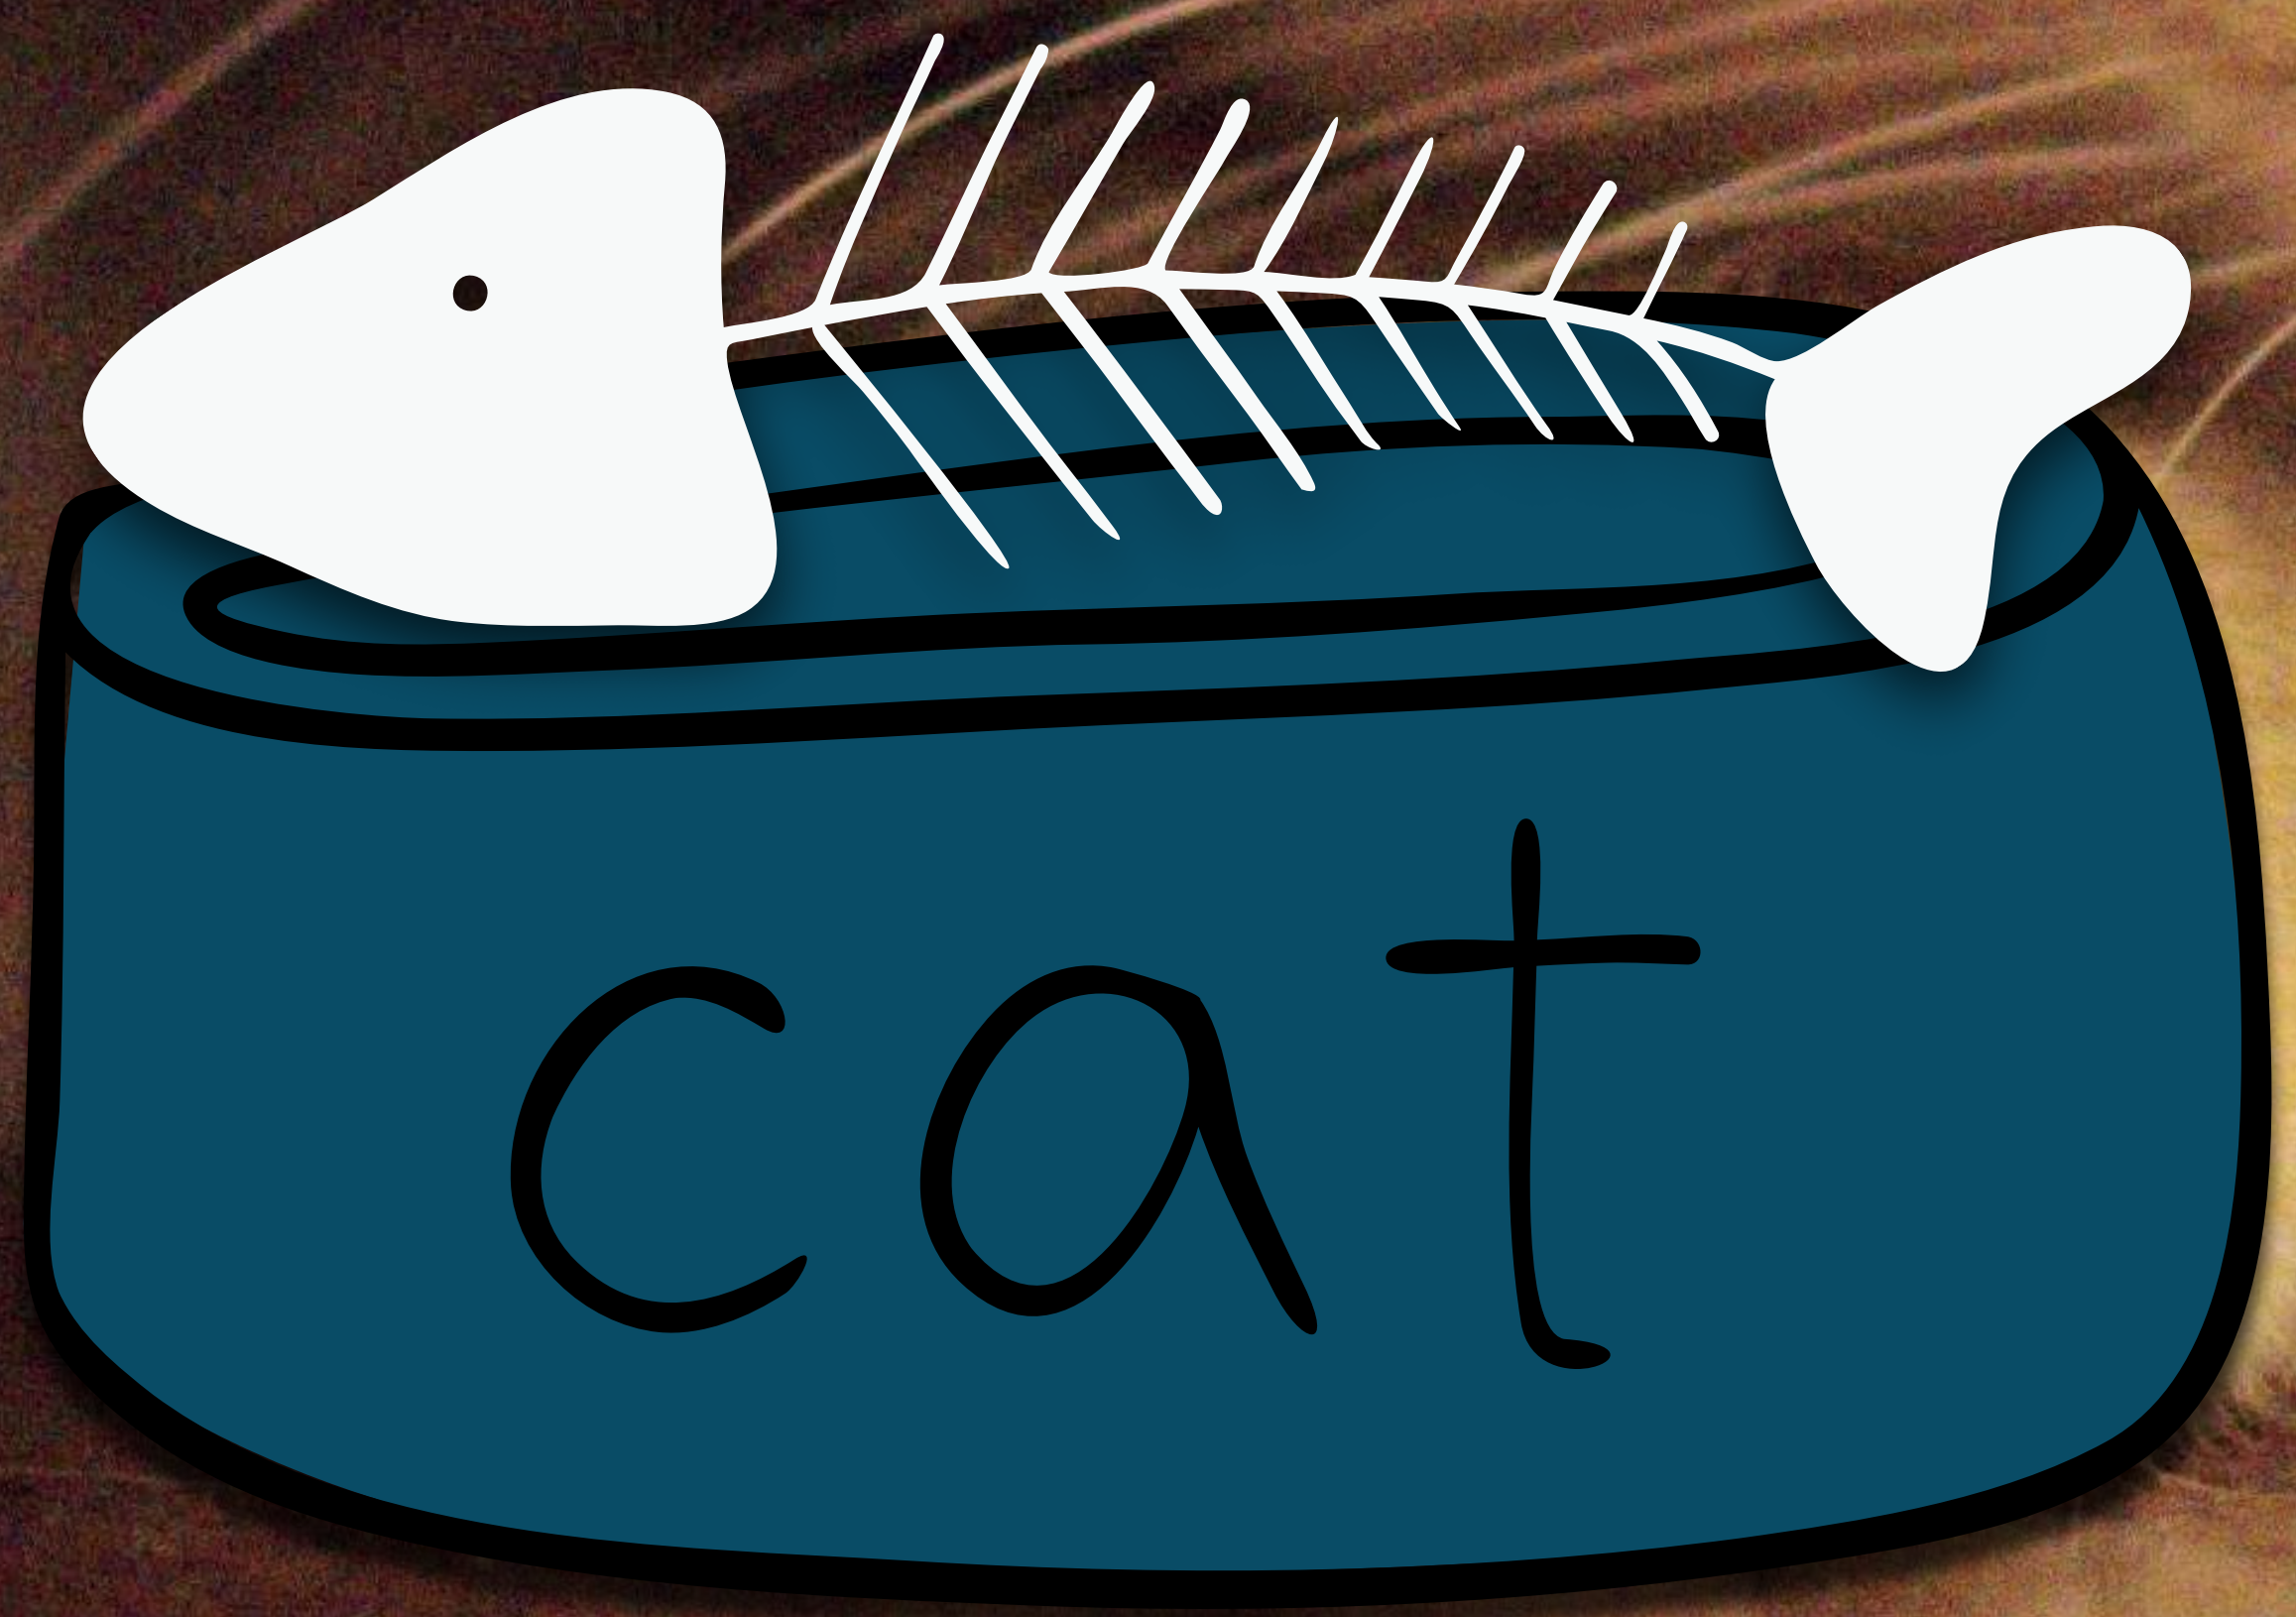

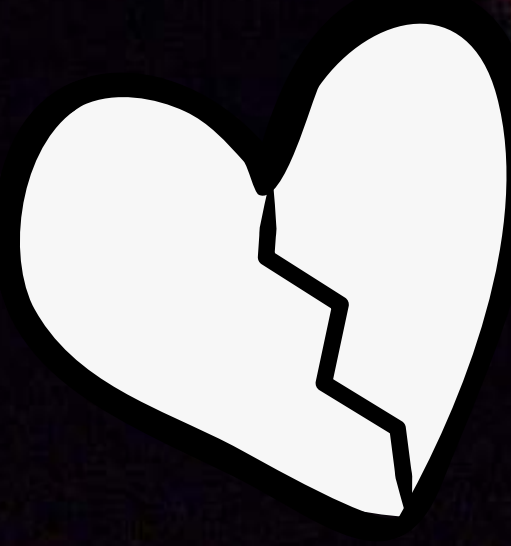

Here is a sad cat. Is its
dinner all gone? Did it
drop a toy? Did it miss
a good catch?

Here is a mad cat. I would not pet this cat if I was you. Mad cats hiss. Mad cats scratch. Best to give it room.

BOOM!!!

Pet cats. Here is a
cat getting a cuddle.
